ORDERS IN COUNCIL.

PRESENT:

HIS EXCELLENCY THE DEPUTY GOVERNOR GENERAL IN COUNCIL.

[2594]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 28th day of September, 1912.

PRESENT:

HIS EXCELLENCY THE DEPUTY GOVERNOR GENERAL IN COUNCIL.

THE Minister of the Interior, under date the 8th July, 1912, reports that Mr. John Henderson has made application to be permitted to acquire the S.E.¼ of Section 27, Township 22, Range 2, east of the principal Meridian, in compensation for the deficiency in area in his title to Lot numbered 39 in the Parish of Kildonan, in the Province of Manitoba.

The Minister states that evidence has been submitted showing Mr. Henderson's claim under The Manitoba Act, which claim is now represented by the said Lot, was not settled by a grant of the full area of 100 acres of land acquired from the Hudson's Bay Company, as the area of the said Lot comprised 79 acres only, thus leaving a deficiency of 21 acres.

The Minister observes that, their being no available land in the vicinity of the said parish from which such deficiency could be made up, Mr. Henderson requested that the said S.E. ¼ of Section 27, Township 22, Range 2, east of the Principal Meridian, be granted him in lieu of the said 21 acres, the difference in this area and that of a quarter section of Dominion Lands (160 acres) being fairly represented by the enhanced value of Lots in the Parish of Kildonan which adjoins the City of Winnipeg.

The Minister, being of the opinion that the application should receive favourable consideration, recommends that a free grant be authorized to Mr. Henderson of the S.E. ¼ of Section 27, Township 22, Range 2, east of the Principal Meridian, in lieu of the deficiency in area of his title to Lot Numbered 39, in the Parish of Kildonan, in the Province of Manitoba.

The Committee submit the same for approval.

RODOLPHE BOUDREAU,
14–4 Clerk of the Privy Council.

HIS Excellency the Deputy Governor General in Council is pleased to order and it is hereby ordered that South Porcupine, in the Province of Ontario, be established as an Outport of Customs and Warehousing Port, under the Survey of the Port of North Bay, from 1st October, 1912, the present Customs Office at Porcupine to be then closed.

Saturday, the 28th day of September, 1912.

PRESENT :

HIS EXCELLENCY THE DEPUTY GOVERNOR GENERAL IN COUNCIL.

THE Acting Minister of the Interior states, under date 23rd September, 1912, that in view of the demand for School Lands in that locality, and of the favourable crop conditions, he is of the opinion that it would be in the public interest to offer the following School Lands for sale by public auction in the Province of Alberta, namely :—

Section	29,	Township	20,	Range	5,	West	4th.
"	29,	"	20,	"	6,	"	"
"	29,	"	20,	"	7,	"	"
"	29,	"	21,	"	5,	"	"
"	29,	"	21,	"	6,	"	"
"	29,	"	21,	"	7,	"	"

The Minister, therefore, recommends that he be authorized to offer the lands above mentioned for sale by public aution at Medicine Hat during the present Autumn at a date to be determined as soon as the valuations are received, the lands to be offered in each case subject to an upset price determined by valuation, and the terms and conditions of the sale to be in accordance with the provisions of The Dominion Lands Act, relating to sales of School Lands.

The Committee submit the same for approval.

RODOLPHE BOUDREAU,
14–4 Clerk of the Privy Council.

The Minister recommends, as evidence has been submitted showing the applicant to have been in actual occupation of the land in question at the date of the conclusion of Indian Treaty No 8 in the summer of 1899, that, under the provisions of subsection (*c*) of section 76 of The Dominion Lands Act, a free grant be authorized to Mr. Campbell of the fractional S. THE Minister of the Interior, under date the 13th of August, 1912, reports that by Order in Council, dated the 30th January, 1911, authority was granted to sell Mr. Charles Brotman the north-west quarter of Section 24, Township 12, Range 26, west of the Principal Meridian, at five dollars per acre, subject to the ordinary homestead conditions, payment to be made one-fourth in cash and the remainder in three equal annual instalments with interest at five per cent per annum.

PRESENT :

HIS EXCELLENCY THE DEPUTY GOVERNOR GENERAL IN COUNCIL.

THE Minister of the Interior, under date 14th September, 1912, states that numerous applications have been received in the Department of the Interior for an early sale of School Lands in the Provinces of Saskatchewan and Manitoba.

The Minister observes that, in accordance with the provisions of The Dominion Lands Act, these lands can only be disposed of by sale at public auction, and it is represented to him that the present autumn would be a suitable time for holding a series of auction sales, as no general sales of School Lands have been held since the year 1910, and the crop conditions this year are favourable.

It is proposed that sales should be held in Manitoba at the following points, namely,—Winnipeg, Hartney, Somerset, Portage la Prairie and Virden, the lands to be offered at these points being the undisposed of School Lands in the Southern and Central parts of the Province.

The points at which it is proposed to hold the Saskatchewan sales are as follows,—Melville, Canora, Wadena, Quill Lake, Humboldt, Lanigan, Craik, Davidson, Loreburn, Battleford and Scott, the lands to be offered being all within a reasonable distance of the points of sale.

They would be offered in quarter-sections, subject to an upset price which has already been determined in each case by actual inspection and valuation, and the terms of payment would be those prescribed by The Dominion Lands Act, namely,—one-temth in cash at the time of the sale, and the balance in nine equal successive annual instalments, with interest at the rate of 5% per annum on the balance of the purchase money from time to time remaining unpaid.

The Minister, being of the opinion that in view of the demand for those lands it would be both in the public interest and in that of the School Lands Endowment Funds of the Provinces of Manitoba and Saskatchewan that a portion of the School Lands be offered for sale during the present autumn, recommends that he be authorized to hold auction sales of such lands at the points before mentioned in the Provinces of Manitoba and Saskatchewan, the dates of such sales to be fixed as soon as the necessary arrangements can be made, and the sales to be subject to the terms and conditions prescribed by The Dominion Lands Act in regard to the sales of School Lands.

The Committee advise that the requisite authority be granted accordingly.

RODOLPHE BOUDREAU,
13–4 Clerk of the Privy Council.

NOTICE TO MARINERS.

No. 76 of 1912.

(*Pacific No. 20.*)

All bearings, unless otherwise noted, are true and are given from seaward in degrees from 0° (North) to 360°, measured clockwise, followed by the magnetic bearing in degrees in brackets, miles are nautical miles, heights are above high water of ordinary spring tides, and all depths are at low water of ordinary spring tides.

BRITISH COLUMBIA.

(211) QUEEN CHARLOTTE ISLANDS—SKIDEGADE INLET—HYDROGRAPHIC INFORMATION.

The following notes are from a survey of Skidegate inlet by Capt. P. C. Musgrave and assistants of the Canadian Hydrographic Survey in the summer of 1911.

Spit point is the most northerly point of Moresby island and is situated 94° (N. 67° 10′ E. Mag.) 6 miles from Skidegate village, the water between being mostly over 20 fathoms deep. The point is low and has on it only a few scattered trees for a distance of ½ mile from its extreme. A wharf that once existed near the point has fallen into disrepair and is useless.

Shingle bay, situated on the west side of Spit point, contains good anchorage and also shelter from southeast winds.

The Bar or Spit composed for the most part of sand or gravel is much as shown on Admiralty chart No. 48 (Skidegate inlet) except that it has less water over it.

The northwest end of The Spit (under 3 fathoms) is situated 345° (N. 41° 50′ W. Mag.) 9¾ miles from Spit point, and the southwestern side, as well as Spit point itself, is steep to. The spit gradually deepens to the eastward. It is 3½ miles wide from Spit point in a northeasterly direction, is nearly one mile wide at the northwest end, only ½ mile wide near its middle and about 1½ miles wide off cape Chronstchaff.

Bar rocks are two rocky patches that dry near low water. The western and higher dries 5 feet and is situated 333° 30′ (N. 53 20′ W. Mag.) 7 miles from Spit point, or 156° (S. 50° 50′ E. Mag.) 2¾ miles from the northwest end of The Spit. These rocks served at one time to mark a channel 21 feet deep south of them and across The Bar but this has become silted up to as little as 12 feet.

Outside The Spit are several detached shoals, the most important of which are:

One with 12 feet least water on it and about a mile square is situated with its middle lying 32° 30′ (N. 5° 40′ E. Mag.) 5 miles from Spit point.

Another lies with its eastern and shoalest spot of 12 feet bearing 57° 45′ (N. 30° 55′ E. Mag.) 4 miles from Spit point. The western side of this shoal is almost joined to the main spit.

Lawn Point. The extremity of the land as seen from the south is wooded and may be termed the northwest entrance point to Skidegate inlet. It lies 328° (N. 58° 50′ W. Mag.) 4 miles from the western Bar rock. It is connected with The Spit by a bar over which not more than 5 fathoms can be carried.

Boulder. 184° (S. 22° 50′ E. Mag.) 6 cables from Lawn point is a remarkable white patch boulder that serves to define the position of Lawn point.

Lawn hill, the top of whose trees is 500 feet high, is situated 224° (S. 17° 10′ W. Mag.) 7 cables from the white patch boulder and 207° (S. 0° 10′ W, Mag.) $1\frac{1}{10}$ miles from Lawn point. The position assigned to it on Admiralty chart No. 48 is incorrect and misleading.

Lawn Point gas buoy is moored in 29 fathoms off the northwest extreme of The Spit and bears 328° (N. 58° 50′ W. Mag.) $2\frac{4}{10}$ miles from the western Bar rock. It should be left on the port hand entering the inlet.

Deadtree point lies 187° (S. 19° 50′ E. Mag.) 4½ miles from Lawn point, 252° (S. 45° 10′ W. Mag.) 2¾ miles from the western Bar rock and 23° (N. 3° 50′ W. Mag.) 6 miles from Skidegate village, The drying line of gravel and boulders stretches to 3 cables off the point.

The outer edge of the bank, with 11 feet water over it, lies ¾ mile 94° (N. 67° 10′ E. Mag.) from this point, and a detatched patch with 9 feet, least water on it is situated 145° (S. 61° 50′ E. Mag.) $1\frac{1}{10}$ miles from the point. Opposite Deadtree point the channel is only ⅔ mile wide.

The clearing and leading line, west side of Leading island in line with the east side of Bare island, bearing 207° (S. 0° 10′ W. Mag.), passes only 5 cables east of this latter shoal.

Wireless Telegraph Station is ¼ mile to the southward of Deadtree point, and consists of three buildings, the central, which is the operating building and most conspicuous, is situated in Lat. N. 53° 21′ 26″, Long. W. 131° 55′ 30″.

Village Islands, Bare island is now covered with trees, its height to the tops of the trees being 165 feet.

Village Bay—Shoal. There is a shoal at the northern entrance to Village bay. This shoal lies 13° (N. 13° 50′ W. Mag.) distant 4 cables from the N. W. extreme of Bare island (Admiralty chart No. 48) and has 15 feet of water over it.

A wharf has been built by the Canadian Government close to, and to the westward of, the oil reducing wharf, with a depth of 8 feet at the end of L. W. O. S.

Bearskin bay, Queen Charlotte city. A wharf has been built by the Canadian Government to the eastward of the sawmill wharf. The outer end of the wharf is 353° (N. 33° 50′ W. Mag.) 5 cables distant from the northwest extreme of Gooden Island. It is 460 feet in length and lies 41° (No. 14° 10′ E. Mag.), with a depth of 11 feet at the end at L. W. O. S.

Directions. In approaching Skidegate from the eastward the white patch boulder, 6 cables to the southward of Lawn point, should be brought to bear 252° (S. 45° 10′ W. Mag.)

A depth of 10 fathoms was obtained 6¾ miles from the boulder on this bearing, gradually shoaling to 5 fathoms at a distance of 2 miles, and the least water obtained, before reaching the deep channel, was 4¼ fathoms.

When the gas buoy bears 195° 30′ (S. 11° 20′ E. Mag.) course should be altered to pass it close on the port hand, when the course 180° (S. 26° 50′ E. Mag.) will lead through the deep channel to the black buoy southeast to Deadtree point. Passing this buoy close to on the port hand, the west side of Leading island should be brought open of the east side of Bare islet, a little to the west of South magnetic. The clearing and leading line as shown on Admiralty chart No. 48 leads too close to the shoal ground southeast at Deadtree point.

The Passage south of Bar rocks is not recommended as these rocks are only visible at extreme low water spring tides when there would be only 12 to 14 feet on the Bar.

The western clearing line for the Bar rocks leads across The Spit in 12 feet water, L.W.O.S.

Every applicant for a Bill of Divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but otherwise shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with

during that session the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful; to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee as sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for bill for divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage, the names in full of the parties thereto, their ages and occupations, when, where and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act*, *1893*.

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

(1) The petitioner's residence at the time of service.

(2) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.

(3) The name and address of the solicitor, if any, acting for the petitioner.

(4) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(5) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give:—

(a) The respondent's residence at the time of sending such notice.

(b) A Post Office address in Canada at which letters and notices for the respondent may be delivered.

(c) The name and address of the solicitor, if any, acting for the respondent.

(d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.

(6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, ($210.)

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

A copy of every petition for a Bill of Divorce, or relating to any matter arising out of an application for divorce, and of every document and paper accompanying such petition or produced in evidence before the Committee, shall be furnished to the Committee by the person on whose behalf the petition, document or paper is presented or produced.

STATUTS DE L'ORDRE DU SERVICE IMPÉRIAL.

GEORGE, R. & I.

GEORGE CINQ, par la Grâce de Dieu, Roi du Royaume-Uni de la Grande-Bretagne et d'Irlande et des possessions britanniques au delà des mers, Défenseur de la Foi, Empereur des Indes, à tous ceux qui les présentes verront,—Salut.

Attendu que par mandats sous le seing royal de feu Sa Majesté, datés le huitième jour d'août en l'année de Notre-Seigneur mil neuf cent deux et la deuxième année de Son Règne, et le vingt-neuvième jour de novembre en l'année de Notre-Seigneur mil neuf cent six et la sixième année de Son règne, le vingt-septième jour de mai, mil neuf cent huit, et la huitième année de Son règne, et le dix-septième jour de juin mil neuf cent neuf et la neuvième année de Son règne, feu Sa Majesté, désirant reconnaître plus amplement qu'il n'a été possible jusqu'à présent les services fidèles et méritoires à lui rendus par les membres des Services Civils des diverses parties de Son Empire, par les présentes lui, pour lui-même, ses héritiers et successeurs, institue et crée un nouvel Ordre civil de distinction—qui sera désigné Ordre du Service Impérial—et il lui a plu de faire, ordonner et établir les règles et ordonnances suivantes pour la régie du dit Ordre :—

Et attendu que nous sommes portés à faire certaines modifications et ajoutés aux Statuts de l'Ordre :

A ces causes, en conformité et dans l'exercice du pouvoir qui Nous est conféré par les susdits statuts, et afin de Nous permettre de faire exécuter Notre volonté et plaisir, par les présentes Nous abrogeons les susdits statuts du huitième jour d'août mil neuf cent deux, du vingt-neuvième jour de novembre mil neuf cent six, du vingt-septième jour de mai mil neuf cent huit et du dix-septième jour de juin mil neuf cent neuf, et ils sont abrogés par le présent, mais sans préjudice de tout ce qui aura été fait en vertu des dits statuts ; et en remplacement de ces statuts par les présentes Nous faisons, ordonnons et établissons les statuts et ordonnances ci-dessous :—

Premièrement.—Ordonné, que le présent Ordre soit dorénavant appelé et désigné " L'Ordre du Service Impérial."

Deuxièmement.—Ordonné, que l'Ordre consistera du Souverain, du Prince de Galles, et des Compagnons que Nous, Nos héritiers ou successeurs désignerons.

Troisièmement—Ordonné, que Nous, Nos héritiers et successeurs, rois et reines règnants du Royaume-Uni de la Grande-Bretagne et d'Irlande et des possessions britanniques au delà des mers, empereurs et impératrices des Indes, sommes et serons pour toujours Souverains du présent Ordre.

Quatrièmement.—Ordonné, que seuls les membres des divisions administratives de Nos Services Civils pourront prétendre à la distinction de Compagnons du présent Ordre.

Cinquièmement.—Ordonné, que le nombre de Compagnons de l'Ordre n'excédera pas sept cents, dont deux cent cinquante appartiendront à Notre Service Civil en Angleterre, deux cents à Nos Services Civils de .l'Inde, y compris le personnel de Notre Secrétaire d'Etat pour l'Inde (cent nominations étant réservées pour les Européens et cent pour les indigènes de l'Inde), et deux cent cinquante pour les Services Civils de Nos possessions au delà des mers et les pays sous Notre protection, y compris le personnel des Agents de la Couronne pour les Colonies.

Sixièmement.—Ordonné que personne ne sera éligible comme Compagnon de l'Ordre dont le nom n'a pas été mis devant Nous, Nos héritiers et successeurs par un de Nos ou de Leurs principaux secrétaires d'Etat, et qui n'a à l'époque de sa nomination rendu au moins vingt-cinq ans de service méritoire dans nos dits Services Civils ; pourvu que dans l'Empire Indien la durée minimum de service dans le cas d'Européens sera de vingt ans, et dans toute partie de Nos possessions au delà des mers, ou tout pays sous Notre protection, qui, d'après les Actes des Pensions ou les règlements concernant cette colonie ou protectorat, est réputé insalubre, la période minimum de service sera de seize ans ; Pourvu aussi que Nous, Nos héritiers et successeurs pourrons en tout temps nommer spécialement à l'Ordre des personnes qui, n'ayant pas complété les susdites périodes de service, ont rendu tel service éminent et méritoire qui les rende dignes selon Nous de recevoir cette distinction.

Septièmement.—Ordonné, que lorsqu'il plaira à Nous, Nos héritiers et successeurs de nommer une personne Compagnon de l'Ordre, cette nomination sera faite par mandat sous Notre seing manuel et contresigné par un de Nos principaux secrétaires d'Etat.

Huitièmement.—Ordonné, que la décoration que porteront les Compagons de l'Ordre sera, pour les hommes, un insigne ou médaillon d'or ou émail, portant à sa face Notre chiffre impérial et royal, et les mots " For Faithful Service " les deux inscriptions exécutées en émail bleu foncé sur une plaque ou écu d'or, entourée d'une étoile d'argent à sept pointes, surmontée de la Couronne impériale, et pour les femmes un insigne ou médaillon sous tous les rapports semblables à l'insigne ou médaillon pour les hommes, sauf que la plaque ou écu d'or sera entouré d'une guirlande de laurier en argent au lieu d'une étoile, surmontée de la Couronne impériale.

Neuvièmement.—Ordonné, que la décoration sera portée par les hommes sur le côté gauche, suspendue d'un ruban d'un pouce et demi de largeur, composé d'une bande bleue entre deux bandes pourpres d'une égale largeur, et par les femmes sur l'épaule gauche, suspendue par un ruban de mêmes couleur et largeur, formant nœud.

Dixièmement.—Ordonné, que les noms de ceux auxquels il Nous plaira de conférer la décoration seront publiés dans la *London Gazette.*

Onzièmement.—Ordonné, que les Compagnons de l'Ordre auront le privilège d'ajouter les lettres " O.S.I." après leurs noms.

Douzièmement.—Ordonné, que les membres de tout ordre de chevalerie pourront, s'ils ont les qualités voulues, devenir Compagnons du présent Ordre, et que les Companons du présent Ordre ne seront aucunement empêchés de devenir membres de tout ordre de chevalerie pour lequel leurs services les rendent éligibles.

Treizièmement.—Ordonné, que l'Ordre du Service Impérial aura préséance immédiatement après Notre Ordre du Service Distingué et avant la cinquième classe de Notre Ordre Royal Victoria, et les Compagnons du dit Ordre auront en tous endroits et dans toutes les assemblées, rang et préséance immédiatement après les Compagnons de l'Ordre de Service Distingué, et, entre eux, leur rang sera selon la date de leurs nominations respectives.

Quatorzièmement.—Ordonné que Nous, Nos héritiers et successeurs, pourront, par mandat sous Notre Seing royal, canceller et annuler la nomination de tout Compagnon du présent Ordre, et que là-dessus son nom dans le registre sera biffé ; mais que le Souverain pourra remettre l'Ordre à toute personne dont la nomination aura été ainsi cancellée et annulée, chaque fois que les circonstances justifieront cette action.

Quinzièmement.—Ordonné, que les membres de Nos Services Civils qui ne sont pas éligibles comme Compagnons du présent Ordre, pourront, en se retirant de Nos dits services après au moins vingt-cinq ans de service méritoire ou, dans le cas d'Européens servant dans l'Empire indien, après au moins vingt ans de tel service, ou dans le cas de service dans toute partie de Nos possessions au delà des mers, ou tout pays sous Notre protection, qui, d'après les Actes de Pension ou les règlements s'appliquant à cette colonie ou protectorat est réputé insalubre, après au moins seize ans de tel service, recevoir une médaille désignée " Médaille du Service Impérial ", pourvu que cette médaille ne sera conférée que sur la recommandation de l'un de Nos principaux Secrétaires d'Etat. Pourvu aussi que Nous, Nos héritiers et successeurs pourrons conférer la médaille à pas plus de cinq employés civils chaque année, qui se seront retirés après moins de vingt-cinq ans de service, si Nous jugeons que des circonstances spéciales le justifient.

Seizièmement.—Ordonné que la Médaille de Service Impérial pour les hommes et pour les femmes sera sous tous les rapports semblable à l'insigne de l'Ordre du Service Impérial pour les hommes et pour les femmes respectivement, sauf que la plaque sera d'argent au lieu d'or, et l'étoile ou guirlande de laurier sera de bronze au lieu d'argent, et il est ordonné que la médaille du Service Impérial sera portée de la même manière que celle prescrite pour l'Ordre du Service Impérial, et que ces médailles porteront au revers le nom du médaillé.

Dix-septièmement.—Ordonné, que les noms de ceux auxquels il Nous plaira de conférer la médaille du service impérial seront publiés dans la *London Gazette.*

Dix-huitièmement—Ordonné que Nous, Nos héritiers et successeurs, pourront, par mandat sous Notre seing royal, canceller et annuler la présentation de toute médaille du Service Impérial, et que là-dessus le nom du récipiendaire dans le registre sera biffé ; mais que le Souverain pourra remettre la Médaille à toute personne dont le nom aura été ainsi biffé, chaque fois que les circonstances justifieront cette action. Et chaque personne qui aura reçu la dite médaille, s'engagera, avant de la recevoir, de remettre la médaille si son nom a été ainsi biffé comme susdit.

Dix-neuvièmement. — Ordonné qu'un officier sera nommé à l'Ordre qui sera désigné " Secrétaire et Régistraire ", et qui sera *ex-officio* un Compagnon de l'Ordre.

Vingtièmement.—Ordonné, que le secrétaire et régistraire du présent Ordre sera choisi par Nous, Nos héritiers et successeurs, et aura la garde des archives de l'Ordre, qui seront gardées dans le bureau de Notre Secrétaire d'Etat pour le département de l'Intérieur, Il veillera au service de l'Ordre et exécutera les instructions qu'il recevra de Nos principaux secrétaires d'Etat.

Finalement.—Nous nous réservons, à Nos héritiers et successeurs plein pouvoir d'annuler, altérer, abroger, augmenter, interpréter ou de nous dispenser des présents règlements, ou de toute partie d'iceux, par un avis sous le seing manuel du Souverain de l'Ordre.

Donné à Notre Château de Saint-James, ce vingt-neuvième jour de mars, en l'année de Notre Seigneur mil neuf cent douze et de Notre règne la deuxième.

HOTEL DU GOUVERNEMENT À OTTAWA.

Mardi, le 1er jour d'octobre 1912.

PRÉSENT :

SON EXCELLENCE LE SUPPLÉANT DU GOUVERNEUR GÉNÉRAL EN CONSEIL.

IL plaît au Gouverneur général en conseil, en vertu des dispositions de l'article 12 de la loi adoptée à la dernière session du Parlement du Canada, chapitre 27, intitulé *Loi des grains du Canada*, d'approuver par ces présentes les règlements et le tarif de droits suivants pour l'inscription des récépissés d'entrepôts de tête de ligne, lesquels règlements et tarif ont été établis par la Commission des grains par résolution datée le 14 septembre 1912 pour être mis en vigueur le 16 septembre 1912.

RÈGLEMENTS RÉGISSANT L'INSCRIPTION DES RÉCÉPISSÉS D'ENTREPOTS TÊTE DE LIGNE.

1. Tout entreposeur d'un élévateur de tête de ligne devra aussitôt que possible après le premier jour d'août de chaque année préparer et présenter au sous-régistrateur un état en triplicata (sur les formules prescrites par la Commission) de tous les récépissés d'entrepôt non rentrés à cette date : il devra aussi présenter à la même date un autre état des chargements de wagon ou des lots de grain en magasin pour lesquels il n'a pas été donné de récépissés.

2. L'entreposeur remettra à la personne qui y a droit un récépissé d'entrepôt pour chaque chargement de wagon ou expédition de grain, sujet à l'ordre de cette personne, lequel récépissé contiendra :—

(*a*) La date de la réception du grain à l'élévateur, ainsi que la quantité et la qualité d'après l'inspection.

(*b*) Que le grain y mentionné a été reçu à l'élévateur pour y être emmagasiné avec du grain de la même qualité d'après l'inspection,

(*c*) Que le grain est livrable sur présentation du récépissé dûment endossé par la personne à l'ordre de laquelle il a été émis, et sur paiement des droits d'emmagasinage et des frais de transport, s'il en est, dus au propriétaire de l'élévateur. (Voir article 127 de la Loi des grains du Canada.)

3. Tout récépissé d'entrepôt avant d'être donné à celui qui y a droit sera présenté par l'entreposeur au sous-régistrateur pour inscription et sera accompagné d'une liste en triplicata donnant le numéro et la date de chaque récépissé, le numéro du wagon, la variété et la qualité du grain, le poids brut, la tare et le poids net, ainsi que le nom de l'élévateur qui délivre ce récépissé.

4. Aucun grain ne sera expédié d'un élévateur de tête de ligne par l'entreposeur et aucun grain ne sera livré par l'entreposeur à l'expéditeur à moins que les récépissés d'entrepôt pour ce grain n'aient d'abord été délivrés par l'expéditeur à l'entreposeur.

5. Quand du grain est livré ou expédié d'un élévateur de tête de ligne, l'entreposeur doit présenter au sous-régistrateur pour "inscription pour annulation" les récépissés d'entrepôt pour ce grain tant au point de vue de la quantité que de la qualité. Tous ces récépissés présentés au sous-régistrateur comme susdit seront accompagnés d'une liste en triplicata donnant le numéro du récépissé, la date de la sortie et l'entrepôt, la quantité, la qualité et la variété du grain couvert par ce récépissé. Ce récépissé sera présenté au sous-registrateur pour annulation le plus tôt possible après l'expédition du grain, dans aucun cas, sauf par un délai inévitable, plus de trois jours après que ce grain est sorti de l'élévateur.

6. Le propriétaire, locataire ou gérant de tout élévateur de tête de ligne présentera chaque semaine au sous-régistrateur un état exact en duplicata de la quantité de chaque variété et qualité de grain emmagasiné dans son élévateur au cours de la semaine, ainsi que la quantité de chaque variété et qualité de grain livré ou expédié de son élévateur au cours de la semaine, la quantité de chaque variété et qualité de grain en magasin reportée du rapport précédent et de chaque variété et qualité de grain en magasin à la clôture des affaires, la date où le rapport est préparé.

7. Les entreposeurs de tête de ligne ne se serviront pour leurs rapports que des formules prescrites par la Commission pour l'inscription.

8. Tout entreposeur de tête de ligne présentera au sous-régistrateur une copie modèle en duplicata du récépissé d'entreposage qu'il se propose de délivrer. La dite copie modèle portera la signature de chaque fonctionnaire de cet élévateur qui est autorisé à signer et contresigner ce récépissé. Ce récépissé sera libellé "copie modèle seulement."

9. Chaque élévateur de tête de ligne paiera au bureau de la Commission des grains un droit de 4 cents par 1,000 boisseaux pour l'inscription lors de la mise en entrepôt et de 4 cents par 1,000 boisseaux pour l'inscription d'annulation.

A la fin de chaque mois le bureau de la Commission des grains présentera à chaque élévateur de tête de ligne un compte de ces droits et ce compte sera immédiatement dû et payable et devra être payé par l'entreposeur au sous-régistrateur avant le 10 du mois suivant.

PRÉSENT :

SON EXCELLENCE LE SUPPLÉANT DU GOUVERNEUR GÉNÉRAL EN CONSEIL.

Le Ministre de l'Intérieur fait rapport, le 8 juillet 1912, que M. John Henderson a demandé la permission d'acquérir le quart sud-est de la section 27, township 22, rang 2, à l'est du méridien principal, en compensation pour ce qui manquait à son titre au lot n° 39 dans la paroisse de Kildonan, province de Manitoba.

Le Ministre représente que la preuve a été établie que la réclamation de M. Henderson en vertu de la Loi du Manitoba, réclamation qui est maintenant représentée par le dit lot, n'a pas été réglée par la concession du terrain de cent acres complets acquis de la Compagnie de la Baie d'Hudson, l'étendue du dit lot n'étant que de 79 acres soit 21 acres en moins.

Le Ministre représente que comme il n'y a dans le voisinage de la dite paroisse aucun terrain qui pourrait être donné en compensation, M. Henderson a demandé que le dit quart sud-est de la section 27, township 22, rang 2, à l'est du méridien principal, lui soit concédé au lieu de ces 21 acres, la différence entre cette étendue de terrain et un quart de section des terres fédérales (160 acres) étant équitablement représentée par l'augmentation en valeur des lots de la paroisse de Kildonan, voisine de la ville de Winnipeg.

Le Ministre étant d'avis que la demande devrait être accordée, il demande l'autorisation de concéder gratuitement à M. Henderson le quart sud-est de la section 27, township 22, rang 2, à l'est du méridien principal, en compensation pour ce qui manque à son titre au lot n° 39, dans la paroisse de Kildonan, province de Manitoba.

Le comité soumet cette demande pour approbation.

Le Ministre de l'Intérieur fait rapport, le 13 septembre 1912, que M. Alexis Campbell a demandé la concession gratuite du quart fractionnaire sud-ouest de la section 14, township 72, rang 7, à l'ouest du 6e méridien, basant sa demande sur le fait qu'il occupait ce terrain à la date de l'extinction du titre des Indiens.

La preuve ayant été établie que le requérant occupait réellement le terrain susdit à la date du traité indien n° 8 à l'été de 1899, le Ministre recommande qu'en vertu des dispositions du paragraphe (*c*) de l'article 76 de la *Loi des terres fédérales* il soit autorisé à accorder à M. Campbell la concession gratuite du quart fractionnaire sud-ouest de la section 14, township 72, rang 7, à l'ouest du 6e méridien, contenant 111.3 acres plus ou moins.

LE Ministre de l'Intérieur représente, le 14 septembre 1912, que de nombreuses requêtes ont été reçues au Ministère de l'Intérieur demandant qu'il soit fait prochainement une vente de terres scolaires dans les provinces de Saskatchewan et de Manitoba.

Le Ministre fait observer qu'en vertu des dispositions de la *Loi des terres fédérales* ces terrains ne peuvent être vendus qu'à l'enchère publique et qu'il lui est représenté que le présent automne serait un temps opportun pour une série de ventes à l'enchères, aucune vente de terres fédérales n'ayant eu lieu depuis l'année 1910 et les conditions, au point de vue de la récolte, étant cette année favorables.

Les endroits désignés pour ces ventes dans la province de Manitoba sont les suivants, savoir : Winnipeg, Hartney, Somerset, Portage-la-Prairie et Virden, les terres scolaires offertes en vente étant celles du sud et du centre de la province qui sont encore disponibles.

Dans la Saskatchewan les endroits suivants sont désignés pour ces ventes : Melville, Canora, Wadena, Quill Lake, Humboldt, Lanigan, Craik, Davidson, Loreburn, Battleford et Scott, les terres étant toutes à des distances commodes de l'endroit de la vente.

Ces terres seraient mises en vente en quarts de sections, à un prix de mise qui a été déterminé dans chaque cas après inspection et évaluation, et les conditions de paiement seraient celles prescrites par la *Loi des terres fédérales*, savoir : un dixième comptant au moment de la vente et le reste en neuf versements annuels égaux et consécutifs, à cinq pour cent d'intérêt par année sur la balance du prix d'achat qui reste impayée de versement en versement.

Le Ministre étant d'avis qu'en vue des nombreuses demandes de ces terres il serait de l'intérêt public et à l'avantage du fonds des écoles dans les provinces de Manitoba et de Saskatchewan qu'une partie des terres scolaires soient offertes en vente au cours du présent automne, il demande l'autorisation de faire la vente à l'enchère de ces terres aux endroits ci-dessus mentionnés dans les provinces de Manitoba et de Saskatchewan, les dates de ces ventes devant être déterminées dès que les mesures nécessaires auront été prises, conformément aux stipulations de la *Loi des terres fédérales* concernant la vente des terres scolaires.

Le comité recommande que l'autorisation nécessaire soit accordée.

LE Ministre de l'Intérieur fait rapport, le 13 août 1912, qu'un arrêté en conseil daté le 30 janvier 1911 autorisait la vente à M. Charles Brotman du quart nord-ouest de la section 24, township 12, rang 26, à l'ouest du méridien principal, au prix de cinq dollars l'acre, sujet aux conditions ordinaires de homestead, le paiement devant être d'un quart comptant et le reste en trois versements annuels égaux avec intérêt de cinq pour cent par année,

Le Ministre représente que M. Brotman ayant protesté que ce terrain ne valait pas le prix demandé, un inspecteur de homesteads reçut ordre de le visiter et de faire rapport de sa valeur, et que dans un rapport daté le 29 juillet le dit fonctionnaire déclare que trois dollars l'acre serait un prix raisonnable pour le quart de section susdit.

Dans ces circonstances, le Ministre recommande que l'arrêté en conseil du 30 janvier 1911 soit rescindé et demande l'autorisation de vendre à M. Brotman le quart de section susdit au prix de trois dollars l'acre. La vente étant sujette aux conditions ordinaires de homestead.

7. Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill, et dans le cas où un bill accorde le pouvoir d'augmenter, à quelque date que ce soit, le montant du capital social projeté, le droit additionnel sera prélevé sur le chiffre maximum de telle augmentation projetée, telle qu'il en est fait mention dans le bill.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills prives prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session, la taxe supplémentaire imposée sous l'empire des alinéas *b* ou *c* de l'article 3, ne sera pas exigée.

SENAT.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que revisées et mises en vigueur le 22 mars 1906.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé ; il fait insérer cet avis, pendant trois

mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'*Acte de la preuve en Canada, 1893.*

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(*1*) La résidence du pétitionnaire à l'époque de la signification.

(*2*) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(*3*) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(*4*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*5*) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(*a*) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(*b*) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(*c*) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

(*d*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*6*) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(*7*) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les service d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

SAML. E. ST. O. CHAPLEAU,
Greffier du Sénat.

SENAT.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada;* cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires ; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une *compagnie de chemin de fer ou de canal*,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une *compagnie de télégraphe ou de téléphone*,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une *compagnie pour la confection de travaux quelconques*, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une *compagnie de banque ;* une *compagnie d'assurance ;* une *compagnie de crédit ;* une *compagnie de prêt* ou une *compagnie industrielle*, sans pouvoirs exclusifs —dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement

mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie, —dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : "*Avis de bill privé*" ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en consideration par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de $200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

GEORGE, R. & I.

GEORGE THE FIFTH, by the Grace of God, of the United Kingdom of Great Britain and Ireland and of the British Dominions beyond the Seas, King, Defender of the Faith, Emperor of India, to all to whom these presents shall come:—GREETING.

WHEREAS, by Warrants under His late Majesty's Royal Sign Manual, dated the eighth day of August in the year of our Lord one thousand nine hundred and two and the second year of His Reign, the twenty-ninth day of November in the year of our Lord one thousand nine hundred and six and the sixth year of His Reign, the twenty-seventh day of May, one thousand nine hundred and eight, and the eighth year of His Reign, and the seventeenth day of June, one thousand nine hundred and nine in the ninth year of His Reign, His late Majesty, being desirous of recognising more fully than had theretofore been possible the faithful and meritorious services rendered to Him by Members of the Civil Service of the various parts of His Empire, did, for Himself, His Heirs and Successors institute and create a new Civil Order of Distinction—to be designated the Imperial Service Order—and He was graciously pleased to Make, Ordain, and Establish Rules and Ordinances for the Government of the same;

And whereas We are minded to make certain amendments and additions to the Statutes of the Order:

Now, therefore, in pursuance and in the exercise of the power vested in Us by the aforesaid statutes, and in order to enable Us to carry this Our Will and Pleasure into effect, We do hereby abrogate the aforesaid statutes of the eighth day of August one thousand nine hundred and two, the twenty-ninth day of November one thousand nine hundred and six, the twenty-seventh day of May one thousand nine hundred and eight and the seventeenth day of June one thousand nine hundred and nine and the same are abrogated accordingly, but without prejudice to anything done thereunder, and, in lieu thereof, We do by these Presents Make, Ordain and Establish the following Statutes and Ordinances:

Friday, the 6th day of September, 1912.

PRESENT :

HIS EXCELLENCY THE DEPUTY GOVERNOR GENERAL IN COUNCIL.

THE Minister of the Interior states, under date the 29th August, 1912, that Mr. Pierre Giroux has made application for a free grant of the S.E.¼ of Section 1, Township 73, Range 6, west of the Fifth Meridian, by virtue of occupation of the land at the date of the extinguishment of the Indian title.

The Minister recommends, as evidence has been submitted showing the applicant to have been in actual occupation of the land in question at the date of the conclusion of Indian Treaty No. 8 in the summer of 1899 that, under the provisions of subsection (*c*) of section 76 of The Dominion Lands Act, a free grant be authorized to Mr. Giroux of the S.E.¼ of Section 1, Township 73, Range 6, west of the Fifth Meridian, containing 160 acres, more or less.

The Committee submit the same for approval.

RODOLPHE BOUDREAU,
12–4 Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Thursday, the 20th day of September, 1912.

PRESENT :

HIS EXCELLENCY THE DEPUTY GOVERNOR GENERAL IN COUNCIL.

THE Minister of the Interior, under date 14th September, 1912, states that numerous applications have been received in the Department of the Interior for an early sale of School Lands in the Provinces of Saskatchewan and Manitoba.

The Minister observes that, in accordance with the provisions of The Dominion Lands Act, these lands can only be disposed of by sale at public auction, and it is represented to him that the present autumn would be a suitable time for holding a series of auction sales, as no general sales of School Lands have been held since the year 1910, and the crop conditions this year are favourable.

It is proposed that sales should be held in Manitoba at the following points, namely,—Winnipeg, Hartney, Somerset, Portage la Prairie and Virden, the lands to be offered at these points being the undisposed of School Lands in the Southern and Central parts of the Province.

The points at which it is proposed to hold the Saskatchewan sales are as follows,—Melville, Canora, Wadena, Quill Lake, Humboldt, Lanigan, Craik, Davidson, Loreburn, Battleford and Scott, the lands to be offered being all within a reasonable distance of the points of sale.

They would be offered in quarter-sections, subject to an upset price which has already been determined in each case by actual inspection and valuation, and the terms of payment would be those prescribed by The Dominion Lands Act, namely,—one-temth in cash at the time of the sale, and the balance in nine equal successive annual instalments, with interest at the rate of 5% per annum on the balance of the purchase money from time to time remaining unpaid.

The Minister, being of the opinion that in view of the demand for those lands it would be both in the public interest and in that of the School Lands Endowment Funds of the Provinces of Manitoba and Saskatchewan that a portion of the School Lands be offered for sale during the present autumn, recommends that he be authorized to hold auction sales of such lands at the points before mentioned in the Provinces of Manitoba and Saskatchewan, the dates of such sales to be fixed as soon as the necessary arrangements can be made, and the sales to be subject to the terms and conditions prescribed by The Dominion Lands Act in regard to the sales of School Lands.

The Committee advise that the requisite authority be granted accordingly.

RODOLPHE BOUDREAU,
13–4 Clerk of the Privy Council.

Thursday, the 19th day of September, 1912.

PRESENT :

HIS EXCELLENCY THE DEPUTY GOVERNOR GENERAL IN COUNCIL.

THE Minister of the Interior, under date the 5th September, 1912, reports that evidence was recently submitted to the Agent of Dominion Lands at Dauphin, in the Province of Manitoba, in support of the claims of the following persons who reside at Meadow Portage in the Province of Manitoba, to share in the grant of scrip to the Half-breeds of the North-West Territories:—

George Sabiston, the elder, born about 1850, son of William Sabiston and Mary Robeson, and of his children ;
George Sabiston, the younger, born in 1870 ;
James Sabiston, born in 1874 ;
Louisa Geslason, née Sabiston, wife of Oliver Geslason, born in 1878 ;
Colin Sabiston, born in 1880 ;
William Sabiston, born in 1884.

The Minister, being of opinion that the claims in question should be allowed (the evidence submitted having been found satisfactory), recommends that they be approved and that he be authorized, under subsection (*b*) of section 76 of The Dominion Lands Act, to issue in satisfaction of such claims, scrip in each case entitling the grantee to enter at the office of the Agent of Dominion Lands, in whose District the land which may be selected is situate, for an available quarter section and half a quarter section of Dominion Lands of the class open to homestead entry in the Provinces of Manitoba, Saskatchewan or Alberta.

The Committee submit the same for approval.

13–4 Clerk of the Privy Council.

Cuttle, Inspector of Dominion Lands Agencies, Brandon, be authorized, under the provisions of The Dominion Lands Act, paragraph (*g*), section 76, chapter 20, 7-8 Edward VII, to conduct said investigation and for that purpose to subpœna any person or persons, and examine such person or persons under oath and to compel the production of papers and writings at such investigation.

The Governor General in Council is further pleased, in virtue of the provisions of section 27 of chapter 113 of the Revised Statutes of Canada, 1906, to grant permission to change the name of the said ship "Turret Bell" to that of "Kwasind."

AT THE GOVERNMENT HOUSE AT OTTAWA.

Thursday, the 19th day of September, 1912.

PRESENT :

HIS EXCELLENCY THE DEPUTY GOVERNOR GENERAL IN COUNCIL.

WHEREAS the Rural Municipality of Norton No. 69 was in May, 1911, granted three acres of land comprised in the N.E.¼ of Section 15, Township 8, Range 20, west of the Second Meridian, for cemetery purposes, and has applied for an additional grant of .063 of an acre comprised in the adjoining N.W.¼ of the said section 15;

And whereas the consent of the pre-empter of the said N.W.¼ of section 15, Township 8, Range 20, west of the Second Meridian, has been obtained, to the parcel required being withdrawn therefrom for the said purposes,—

Therefore the Governor General in Council, in virtue of the provisions of subsection (*d*) of section 76 of The Dominion Lands Act, is pleased to order and it is hereby ordered that .063 of an acre, comprised in the N.W.¼ of Section 15, Township 8, Range 20, west of the Second Meridian, be set apart and appropriated for cemetery purposes.

RODOLPHE BOUDREAU,
13–4 Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Thursday, the 19th day of September, 1912.

PRESENT :

HIS EXCELLENCY THE DEPUTY GOVERNOR GENERAL IN COUNCIL.

THE Minister of the Interior, under date the 13th of August, 1912, reports that by Order in Council, dated the 30th January, 1911, authority was granted to sell Mr. Charles Brotman the north-west quarter of Section 24, Township 12, Range 26, west of the Principal Meridian, at five dollars per acre, subject to the ordinary homestead conditions, payment to be made one-fourth in cash and the remainder in three equal annual instalments with interest at five per cent per annum.

The Minister states that Mr. Brotman having protested that the land mentioned was not worth the price asked, a Homestead Inspector was instructed to visit this land with a view to furnishing a report as to the actual value thereof, and that in a report, dated the 29th July, the said official sets out that three dollars per acre would be a fair price for the quarter section in question.

The Minister, under these circumstances, recommends that the Order in Council of the 30th January, 1911, be rescinded, and that authority be given for the sale to Mr. Brotman of the quarter section above mentioned at the rate of three dollars per acre, subject to the ordinary homestead conditions.

The Committee submit the same for approval.

RODOLPHE BOUDREAU,
13–4 Clerk of the Privy Council.

[2594]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 28th day of September, 1912.

PRESENT :

HIS EXCELLENCY THE DEPUTY GOVERNOR GENERAL IN COUNCIL.

THE Minister of the Interior, under date the 8th July, 1912, reports that Mr. John Henderson has made application to be permitted to acquire the S.E.¼ of Section 27, Township 22, Range 2, east of the principal Meridian, in compensation for the deficiency in area in his title to Lot numbered 39 in the Parish of Kildonan, in the Province of Manitoba.

The Minister states that evidence has been submitted showing Mr. Henderson's claim under The Manitoba Act, which claim is now represented by the said Lot, was not settled by a grant of the full area of 100 acres of land acquired from the Hudson's Bay Company, as the area of the said Lot comprised 79 acres only, thus leaving a deficiency of 21 acres.

The Minister observes that, their being no available land in the vicinity of the said parish from which such deficiency could be made up, Mr. Henderson requested that the said S.E. ¼ of Section 27, Township 22, Range 2, east of the Principal Meridian, be granted him in lieu of the said 21 acres, the difference in this area and that of a quarter section of Dominion Lands (160 acres) being fairly represented by the enhanced value of Lots in the Parish of Kildonan which adjoins the City of Winnipeg.

The Minister, being of the opinion that the application should receive favourable consideration, recommends that a free grant be authorized to Mr. Henderson of the S.E. ¼ of Section 27, Township 22, Range 2, east of the Principal Meridian, in lieu of the deficiency in area of his title to Lot Numbered 39, in the Parish of Kildonan, in the Province of Manitoba.

The Committee submit the same for approval.

The Minister recommends, as evidence has been submitted, showing the applicant to have been in actual occupation of the land in question at the date of the conclusion of Indian Treaty No. 8 in the summer of 1899, that, under the provisions of subsection (*c*) of section 76 of The Dominion Lands Act, a free grant be authorized to Mr. Gunn of Lot numbered 43, Spirit River Settlement in the Province of Alberta, containing by admeasurement 132 acres, more or less.

NOTICE TO MARINERS.

No. 76 of 1912.

(*Pacific No. 20.*)

All bearings, unless otherwise noted, are true and are given from seaward in degrees from 0° (North) to 360°, measured clockwise, followed by the magnetic bearing in degrees in brackets, miles are nautical miles, heights are above high water of ordinary spring tides, and all depths are at low water of ordinary spring tides.

BRITISH COLUMBIA.

(211) QUEEN CHARLOTTE ISLANDS—SKIDEGADE INLET—HYDROGRAPHIC INFORMATION.

The following notes are from a survey of Skidegate inlet by Capt. P. C. Musgrave and assistants of the Canadian Hydrographic Survey in the summer of 1911.

Spit point is the most northerly point of Moresby island and is situated 94° (N. 67° 10′ E. Mag.) 6 miles from Skidegate village, the water between being mostly over 20 fathoms deep. The point is low and has on it only a few scattered trees for a distance of ½ mile from its extreme. A wharf that once existed near the point has fallen into disrepair and is useless.

Shingle bay, situated on the west side of Spit point, contains good anchorage and also shelter from southeast winds.

The Bar or Spit composed for the most part of sand or gravel is much as shown on Admiralty chart No. 48 (Skidegate inlet) except that it has less water over it.

The northwest end of The Spit (under 3 fathoms) is situated 345° (N. 41° 50′ W. Mag.) 9¾ miles from Spit point, and the southwestern side, as well as Spit point itself, is steep to. The spit gradually deepens to the eastward. It is 3½ miles wide from Spit point in a northeasterly direction, is nearly one mile wide at the northwest end, only ½ mile wide near its middle and about 1½ miles wide off cape Chronstehaff.

Bar rocks are two rocky patches that dry near low water. The western and higher dries 5 feet and is situated 333° 30′ (N. 53 20′ W. Mag.) 7 miles from Spit point, or 156° (S. 50° 50′ E. Mag.) 2¾ miles from the northwest end of The Spit. These rocks served at one time to mark a channel 21 feet deep south of them and across The Bar but this has become silted up to as little as 12 feet.

Outside The Spit are several detached shoals, the most important of which are:

One with 12 feet least water on it and about a mile square is situated with its middle lying 32° 30′ (N. 5° 40′ E. Mag.) 5 miles from Spit point.

Another lies with its eastern and shoalest spot of 12 feet bearing 57° 45′ (N. 30° 55′ E. Mag.) 4 miles from Spit point. The western side of this shoal is almost joined to the main spit.

Lawn Point. The extremity of the land as seen from the south is wooded and may be termed the northwest entrance point to Skidegate inlet. It lies 328° (N. 58° 50′ W. Mag.) 4 miles from the westtern Bar rock. It is connected with The Spit by a bar over which not more than 5 fathoms can be carried.

Boulder. 184° (S. 22° 50′ E. Mag.) 6 cables from Lawn point is a remarkable white patch boulder that serves to define the position of Lawn point.

Lawn hill, the top of whose trees is 500 feet high, is situated 224° (S. 17° 10′ W. Mag.) 7 cables from the white patch boulder and 207° (S. 0° 10′ W, Mag.) $1\frac{1}{10}$ miles from Lawn point. The position assigned to it on Admiralty chart No. 48 is incorrect and misleading.

Lawn Point gas buoy is moored in 29 fathoms off the northwest extreme of The Spit and bears 328° (N. 58° 50′ W. Mag.) $2\frac{4}{10}$ miles from the western Bar rock. It should be left on the port hand entering the inlet.

Deadtree point lies 187° (S. 19° 50′ E. Mag.) 4½ miles from Lawn point, 252° (S. 45° 10′ W. Mag.) 2¾ miles from the western Bar rock and 23° (N. 3° 50′ W. Mag.) 6 miles from Skidegate village, The drying line of gravel and boulders stretches to 3 cables off the point.

The outer edge of the bank, with 11 feet water over it, lies ¾ mile 94° (N. 67° 10′ E. Mag.) from this point, and a detatched patch with 9 feet, least water on it is situated 145° (S. 61° 50′ E. Mag.) $1\frac{1}{10}$ miles from the point. Opposite Deadtree point the channel is only ⅔ mile wide.

The clearing and leading line, west side of Leading island in line with the east side of Bare island, bearing 207° (S. 0° 10′ W. Mag.), passes only 5 cables east of this latter shoal.

Wireless Telegraph Station is ¼ mile to the southward of Deadtree point, and consists of three buildings, the central, which is the operating building and most conspicuous, is situated in Lat. N. 53° 21′ 26″, Long. W. 131° 55′ 30″.

Village Islands. Bare island is now covered with trees, its height to the tops of the trees being 165 feet.

Village Bay—Shoal. There is a shoal at the northern entrance to Village bay. This shoal lies 13° (N. 13° 50′ W. Mag.) distant 4 cables from the N. W. extreme of Bare island (Admiralty chart No. 48) and has 15 feet of water over it.

A wharf has been built by the Canadian Government close to, and to the westward of, the oil reducing wharf, with a depth of 8 feet at the end of L. W. O. S.

Bearskin bay, Queen Charlotte city. A wharf has been built by the Canadian Government to the eastward of the sawmill wharf. The outer end of the wharf is 353° (N. 33° 50′ W. Mag.) 5 cables distant from the northwest extreme of Gooden Island. It is 460 feet in length and lies 41° (No. 14° 10′ E. Mag.), with a depth of 11 feet at the end at L. W. O. S.

Directions. In approaching Skidegate from the eastward the white patch boulder, 6 cables to the southward of Lawn point, should be brought to bear 252° (S. 45° 10′ W. Mag.)

A depth of 10 fathoms was obtained 6¾ miles from the boulder on this bearing, gradually shoaling to 5 fathoms at a distance of 2 miles, and the least water obtained, before reaching the deep channel, was 4½ fathoms.

When the gas buoy bears 195° 30′ (S. 11° 20′ E. Mag.) course should be altered to pass it close on the port hand, when the course 180° (S. 26° 50′ E. Mag.) will lead through the deep channel to the black buoy southeast to Deadtree point. Passing this buoy close to on the port hand, the west side of Leading island should be brought open of the east side of Bare islet, a little to the west of South magnetic. The clearing and leading line as shown on Admiralty chart No. 48 leads too close to the shoal ground southeast at Deadtree point.

The Passage south of Bar rocks is not recommended as these rocks are only visible at extreme low water spring tides when there would be only 12 to 14 feet on the Bar.

The western clearing line for the Bar rocks leads across The Spit in 12 feet water, L.W.O.S.

(c) The name and address of the solicitor, if any, acting for the respondent.

(d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.

(6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

STATUTS DE L'ORDRE DU SERVICE IMPÉRIAL.

GEORGE, R. & I.

GEORGE CINQ, par la Grâce de Dieu, Roi du Royaume-Uni de la Grande-Bretagne et d'Irlande et des possessions britanniques au delà des mers, Défenseur de la Foi, Empereur des Indes, à tous ceux qui les présentes verront,—Salut.

ATTENDU que par mandats sous le seing royal de feu Sa Majesté, datés le huitième jour d'août en l'année de Notre-Seigneur mil neuf cent deux et la deuxième année de Son Règne, et le vingt-neuvième jour de novembre en l'année de Notre-Seigneur mil neuf cent six et la sixième année de Son règne, le vingt-septième jour de mai, mil neuf cent huit, et la huitième année de Son règne, et le dix-septième jour de juin mil neuf cent neuf et la neuvième année de Son règne, feu Sa Majesté, désirant reconnaître plus amplement qu'il n'a été possible jusqu'à présent les services fidèles et méritoires à lui rendus par les membres des Services Civils des diverses parties de Son Empire, par les présentes lui, pour lui-même, ses héritiers et successeurs, institue et crée un nouvel Ordre civil de distinction—qui sera désigné Ordre du Service Impérial—et il lui a plu de faire, ordonner et établir les règles et ordonnances suivantes pour la régie du dit Ordre :—

Et attendu que nous sommes portés à faire certaines modifications et ajoutés aux Statuts de l'Ordre :

A ces causes, en conformité et dans l'exercice du pouvoir qui Nous est conféré par les susdits statuts, et afin de Nous permettre de faire exécuter Notre volonté et plaisir, par les présentes Nous abrogeons les susdits statuts du huitième jour d'août mil neuf cent deux, du vingt-neuvième jour de novembre mil neuf cent six, du vingt-septième jour de mai mil neuf cent huit et du dix-septième jour de juin mil neuf cent neuf, et ils sont abrogés par le présent, mais sans préjudice de tout ce qui aura été fait en vertu des dits statuts ; et en remplacement de ces statuts par les présentes Nous faisons, ordonnons et établissons les statuts et ordonnances ci-dessous :—

Premièrement.—Ordonné, que le présent Ordre soit dorénavant appelé et désigné " L'Ordre du Service Impérial."

Deuxièmement.—Ordonné, que l'Ordre consistera du Souverain, du Prince de Galles, et des Compagnons que Nous, Nos héritiers ou successeurs désignerons.

Troisièmement.—Ordonné, que Nous, Nos héritiers et successeurs, rois et reines régnants du Royaume-Uni de la Grande-Bretagne et d'Irlande et des possessions britanniques au delà des mers, empereurs et impératrices des Indes, sommes et serons pour toujours Souverains du présent Ordre.

Quatrièmement.—Ordonné, que seuls les membres des divisions administratives de Nos Services Civils pourront prétendre à la distinction de Compagnons du présent Ordre.

Cinquièmement.—Ordonné, que le nombre de Compagnons de l'Ordre n'excédera pas sept cents, dont deux cent cinquante appartiendront à Notre Service Civil en Angleterre, deux cents à Nos Services Civils de l'Inde, y compris le personnel de Notre Secrétaire d'Etat pour l'Inde (cent nominations étant réservées pour les Européens et cent pour les indigènes de l'Inde), et deux cent cinquante pour les Services Civils de Nos possessions au delà des mers et les pays sous Notre protection, y compris le personnel des Agents de la Couronne pour les Colonies.

Sixièmement.—Ordonné que personne ne sera éligible comme Compagnon de l'Ordre dont le nom n'a pas été mis devant Nous, Nos héritiers et successeurs par un de Nos ou de Leurs principaux secrétaires d'Etat, et qui n'a à l'époque de sa nomination rendu au moins vingt-cinq ans de service méritoire dans nos dits Services Civils ; pourvu que dans l'Empire Indien la durée minimum de service dans le cas d'Européens sera de vingt ans, et dans toute partie de Nos possessions au delà des mers, ou tout pays sous Notre protection, qui, d'après les Actes des Pensions ou les règlements concernant cette colonie ou protectorat, est réputé insalubre, la période minimum de service sera de seize ans ; Pourvu aussi que Nous, Nos héritiers et successeurs pourrons en tout temps nommer spécialement à l'Ordre des personnes qui, n'ayant pas complété les susdites périodes de service, ont rendu tel service éminent et méritoire qui les rende dignes selon Nous de recevoir cette distinction.

Septièmement.—Ordonné, que lorsqu'il plaira à Nous, Nos héritiers et successeurs de nommer une personne Compagnon de l'Ordre, cette nomination sera faite par mandat sous Notre seing manuel et contresigné par un de Nos principaux secrétaires d'Etat.

Huitièmement.—Ordonné, que la décoration que porteront les Compagons de l'Ordre sera, pour les hommes, un insigne ou médaillon d'or ou émail, portant à sa face Notre chiffre impérial et royal, et les mots " For Faithful Service " les deux inscriptions exécutées en émail bleu foncé sur une plaque ou écu d'or, entourée d'une étoile d'argent à sept pointes, surmontée de la Couronne impériale, et pour les femmes un insigne ou médaillon sous tous les rapports semblables à l'insigne ou médaillon pour les hommes, sauf que la plaque où écu d'or sera entouré d'une guirlande de laurier en argent au lieu d'une étoile, surmontée de la Couronne impériale.

Neuvièmement.—Ordonné, que la décoration sera portée par les hommes sur le côté gauche, suspendue d'un ruban d'un pouce et demi de largeur, composé d'une bande bleue entre deux bandes pourpres d'une égale largeur, et par les femmes sur l'épaule gauche, suspendue par un ruban de mêmes couleur et largeur, formant nœud.

Dixièmement.—Ordonné, que les noms de ceux auxquels il Nous plaira de conférer la décoration seront publiés dans la *London Gazette.*

Onzièmement.—Ordonné, que les Compagnons de l'Ordre auront le privilège d'ajouter les lettres " O.S.I." après leurs noms.

Douzièmement.—Ordonné, que les membres de tout ordre de chevalerie pourront, s'ils ont les qualités voulues, devenir Compagnons du présent Ordre, et que les Companons du présent Ordre ne seront aucunement empêchés de devenir membres de tout ordre de chevalerie pour lequel leurs services les rendent éligibles.

Treizièmement.—Ordonné, que l'Ordre du Service Impérial aura préséance immédiatement après Notre Ordre du Service Distingué et avant la cinquième classe de Notre Ordre Royal Victoria, et les Compagnons du dit Ordre auront en tous endroits et dans toutes les assemblées, rang et préséance immédiatement après les Compagnons de l'Ordre de Service Distingué, et, entre eux, leur rang sera selon la date de leurs nominations respectives.

Quatorzièmement.—Ordonné que Nous, Nos héritiers et successeurs, pourront, par mandat sous Notre Seing royal, canceller et annuler la nomination de tout Compagnon du présent Ordre, et que là-dessus son nom dans le registre sera biffé ; mais que le Souverain pourra remettre l'Ordre à toute personne dont la nomination aura été ainsi cancellée et annulée, chaque fois que les circonstances justifieront cette action.

Quinzièmement.—Ordonné, que les membres de Nos Services Civils qui ne sont pas éligibles comme Compagnons du présent Ordre, pourront, en se retirant de Nos dits services après au moins vingt-cinq ans de service méritoire ou, dans le cas d'Européens servant dans l'Empire indien, après au moins vingt ans de tel service, ou dans le cas de service dans toute partie de Nos possessions au delà des mers, ou tout pays sous Notre protection, qui, d'après les Actes de Pension ou les règlements s'appliquant à cette colonie ou protectorat est réputé insalubre, après au moins seize ans de tel service, recevoir une médaille désignée " Médaille du Service Impérial ", pourvu que cette médaille ne sera conférée que sur la recommandation de l'un de Nos principaux Secrétaires d'Etat. Pourvu aussi que Nous, Nos héritiers et successeurs pourrons conférer la médaille à pas plus de cinq employés civils chaque année, qui se seront retirés après moins de vingt-cinq ans de service, si Nous jugeons que des circonstances spéciales le justifient.

Seizièmement.—Ordonné que la Médaille de Service Impérial pour les hommes et pour les femmes sera sous tous les rapports semblable à l'insigne de l'Ordre du Service Impérial pour les hommes et pour les femmes respectivement, sauf que la plaque sera d'argent au lieu d'or, et l'étoile ou guirlande de laurier sera de bronze au lieu d'argent, et il est ordonné que la médaille du Service Impérial sera portée de la même manière que celle prescrite pour l'Ordre du Service Impérial, et que ces médailles porteront au revers le nom du médaillé.

Dix-septièmement.—Ordonné, que les noms de ceux auxquels il Nous plaira de conférer la médaille du service impérial seront publiés dans la *London Gazette.*

Dix-huitièmement—Ordonné que Nous, Nos héritiers et successeurs, pourront, par mandat sous Notre seing royal, canceller et annuler la présentation de toute médaille du Service Impérial, et que là-dessus le nom du récipiendaire dans le registre sera biffé ; mais que le Souverain pourra remettre la Médaille à toute personne dont le nom aura été ainsi biffé, chaque fois que les circonstances justifieront cette action. Et chaque personne qui aura reçu la dite médaille, s'engagera, avant de la recevoir, de remettre la médaille si son nom a été ainsi biffé comme susdit.

Dix-neuvièmement. — Ordonné qu'un officier sera nommé à l'Ordre qui sera désigné " Secrétaire et Régistraire ", et qui sera *ex-officio* un Compagnon de l'Ordre.

Vingtièmement.—Ordonné, que le secrétaire et régistraire du présent Ordre sera choisi par Nous, Nos héritiers et successeurs, et aura la garde des archives de l'Ordre, qui seront gardées dans le bureau de Notre Secrétaire d'Etat pour le département de l'Intérieur, Il veillera au service de l'Ordre et exécutera les instructions qu'il recevra de Nos principaux secrétaires d'Etat.

Finalement.—Nous nous réservons, à Nos héritiers et successeurs plein pouvoir d'annuler, altérer, abroger, augmenter, interpréter ou de nous dispenser des présents règlements, ou de toute partie d'iceux, par un avis sous le seing manuel du Souverain de l'Ordre.

Donné à Notre Château de Saint-James, ce vingt-neuvième jour de mars, en l'année de Notre-Seigneur mil neuf cent douze et de Notre règne la deuxième.

Par ordre de Sa Majesté.

HOTEL DU GOUVERNEMENT À OTTAWA.

Mardi, le 1er jour d'octobre 1912.

PRÉSENT :

SON EXCELLENCE LE SUPPLÉANT DU GOUVERNEUR GÉNERAL EN CONSEIL.

Il plaît au Gouverneur général en conseil, en vertu des dispositions de l'article 12 de la loi adoptée à la dernière session du Parlement du Canada, chapitre 27, intitulé *Loi des grains du Canada*, d'approuver par ces présentes les règlements et le tarif de droits suivants pour l'inscription des récépissés d'entrepôts de tête de ligne, lesquels règlements et tarif ont été établis par la Commission des grains par résolution datée le 14 septembre 1912 pour être mis en vigueur le 16 septembre 1912.

RÈGLEMENTS RÉGISSANT L'INSCRIPTION DES RÉCÉPISSÉS D'ENTREPOTS TÊTE DE LIGNE.

1. Tout entreposeur d'un élévateur de tête de ligne devra aussitôt que possible après le premier jour d'août de chaque année préparer et présenter au sous-régistrateur un état en triplicata (sur les formules prescrites par la Commission) de tous les récépissés d'entrepôt non rentrés à cette date : il devra aussi présenter à la même date un autre état des chargements de wagon ou des lots de grain en magasin pour lesquels il n'a pas été donné de récépissés.

2. L'entreposeur remettra à la personne qui y a droit un récépissé d'entrepôt pour chaque chargement de wagon ou expédition de grain, sujet à l'ordre de cette personne, lequel récépissé contiendra :—

(*a*) La date de la réception du grain à l'élévateur, ainsi que la quantité et la qualité d'après l'inspection.

(*b*) Que le grain y mentionné a été reçu à l'élévateur pour y être emmagasiné avec du grain de la même qualité d'après l'inspection,

(*c*) Que le grain est livrable sur présentation du récépissé dûment endossé par la personne à l'ordre de laquelle il a été émis, et sur paiement des droits d'emmagasinage et des frais de transport, s'il en est, dus au propriétaire de l'élévateur. (Voir article 127 de la Loi des grains du Canada.)

3. Tout récépissé d'entrepôt avant d'être donné à celui qui y a droit sera présenté par l'entreposeur au sous-régistrateur pour inscription et sera accompagné d'une liste en triplicata donnant le numéro et la date de chaque récépissé, le numéro du wagon, la variété et la qualité du grain, le poids brut, la tare et le poids net, ainsi que le nom de l'élévateur qui délivre ce récépissé.

4. Aucun grain ne sera expédié d'un élévateur de tête de ligne par l'entreposeur et aucun grain ne sera livré par l'entreposeur à l'expéditeur à moins que les récépissés d'entrepôt pour ce grain n'aient d'abord été délivrés par l'expéditeur à l'entreposeur.

5. Quand du grain est livré ou expédié d'un élévateur de tête de ligne, l'entreposeur doit présenter au sous-régistrateur pour " inscription pour annulation " les récépissés d'entrepôt pour ce grain tant au point de vue de la quantité que de la qualité. Tous ces récépissés présentés au sous-régistrateur comme susdit seront accompagnés d'une liste en triplicata donnant le numéro du récépissé, la date de la sortie et l'entrepôt, la quantité, la qualité et la variété du grain couvert par ce récépissé. Ce récépissé sera présenté au sous-registrateur pour annulation le plus tôt possible après l'expédition du grain, dans aucun cas, sauf par un délai inévitable, plus de trois jours après que ce grain est sorti de l'élévateur.

6. Le propriétaire, locataire ou gérant de tout élévateur de tête de ligne présentera chaque semaine au sous-régistrateur un état exact en duplicata de la quantité de chaque variété et qualité de grain emmagasiné dans son élévateur au cours de la semaine, ainsi que la quantité de chaque variété et qualité de grain livré ou expédié de son élévateur au cours de la semaine, la quantité de chaque variété et qualité de grain en magasin

reportée du rapport précédent et de chaque variété et qualité de grain en magasin à la clôture des affaires, la date où le rapport est préparé.

7. Les entreposeurs de tête de ligne ne se serviront pour leurs rapports que des formules prescrites par la Commission pour l'inscription.

8. Tout entreposeur de tête de ligne présentera au sous-régistrateur une copie modèle en duplicata du récépissé d'entreposage qu'il se propose de délivrer. La dite copie modèle portera la signature de chaque fonctionnaire de cet élévateur qui est autorisé à signer et contresigner ce récépissé. Ce récépissé sera libellé " copie modèle seulement."

9. Chaque élévateur de tête de ligne paiera au bureau de la Commission des grains un droit de 4 cents par 1,000 boisseaux pour l'inscription lors de la mise en entrepôt et de 4 cents par 1,000 boisseaux pour l'inscription d'annulation.

A la fin de chaque mois le bureau de la Commission des grains présentera à chaque élévateur de tête de ligne un compte de ces droits et ce compte sera immédiatement dû et payable et devra être payé par l'entreposeur au sous-régistrateur avant le 10 du mois suivant.

Samedi, le 28e jour de septembre 1912.

PRÉSENT :

SON EXCELLENCE LE SUPPLÉANT DU GOUVERNEUR GÉNÉRAL EN CONSEIL.

LE Ministre suppléant de l'Intérieur représente, le 23 septembre 1912, qu'en vue de la demande des terres scolaires dans cette localité et de l'état favorable de la récolte, il est d'avis qu'il serait de l'intérêt public d'offrir en vente à l'enchère publique les terres scolaires suivantes dans la province d'Alberta, savoir :

Section 29,	township 20,	rang 5,	à l'ouest du 4e M.
" 29,	" 20,	" 5,	"
" 29,	" 20,	" 7,	"
" 29,	" 21,	" 5,	"
" 29,	" 21,	" 6,	"
" 29,	" 21,	" 7,	"

Par conséquent, le Ministre demande l'autorisation d'offrir en vente à l'enchère publique, à Medicine-Hat, au cours de cet automne et à une date qui sera déterminée dès après l'évaluation, les terres ci-dessus mentionnées.

La mise à prix sera déterminée par l'évaluation et les conditions de la vente seront conformes aux dispositions de la *Loi des terres fédérales* concernant la vente des terres scolaires.

Le comité soumet cette demande pour approbation.

IL plaît au Gouverneur général en conseil, en vertu des dispositions de l'article 18 du chapitre 113 des Statuts revisés du Canada, 1906, de permettre d'enregistrer de nouveau le navire " Turret Bell," numéro officiel 104263, au port de Québec, dès que toutes les stipulations de la loi auront été observées.

Il plaît de plus au Gouverneur général en conseil, en vertu des dispositions de l'article 27 du chapitre 113 des Statuts revisés du Canada, 1906, de permettre le changement du nom du dit navire " Turret Bell " en celui de " Kwasind."

PRÉSENT :

SON EXCELLENCE LE SUPPLÉANT DU GOUVERNEUR GÉNÉRAL EN CONSEIL.

LE Ministre de l'Intérieur fait rapport, le 8 juillet 1912, que M. John Henderson a demandé la permission d'acquérir le quart sud-est de la section 27, township 22, rang 2, à l'est du méridien principal, en compensation pour ce qui manquait à son titre au lot n° 39 dans la paroisse de Kildonan, province de Manitoba.

Le Ministre représente que la preuve a été établie que la réclamation de M. Henderson en vertu de la Loi du Manitoba, réclamation qui est maintenant représentée par le dit lot, n'a pas été réglée par la concession du terrain de cent acres complets acquis de la Compagnie de la Baie d'Hudson, l'étendue du dit lot n'étant que de 79 acres soit 21 acres en moins.

Le Ministre représente que comme il n'y a dans le voisinage de la dite paroisse aucun terrain qui pourrait être donné en compensation, M. Henderson a demandé que le dit quart sud-est de la section 27, township 22, rang 2, à l'est du méridien principal, lui soit concédé au lieu de ces 21 acres, la différence entre cette étendue de terrain et un quart de section des terres fédérales (160 acres) étant équitablement représentée par l'augmentation en valeur des lots de la paroisse de Kildonan, voisine de la ville de Winnipeg.

Le Ministre étant d'avis que la demande devrait être accordée, il demande l'autorisation de concéder gratuitement à M. Henderson le quart sud-est de la section 27, township 22, rang 2, à l'est du méridien principal, en compensation pour ce qui manque à son titre au lot n° 39, dans la paroisse de Kildonan, province de Manitoba.

Le comité soumet cette demande pour approbation.

LE Ministre de l'Intérieur fait rapport, le 13 septembre 1912, que M. Alexis Campbell a demandé la concession gratuite du quart fractionnaire sud-ouest de la section 14, township 72, rang 7, à l'ouest du 6e méridien, basant sa demande sur le fait qu'il occupait ce terrain à la date de l'extinction du titre des Indiens.

La preuve ayant été établie que le requérant occupait réellement le terrain susdit à la date du traité indien n° 8 à l'été de 1899, le Ministre recommande qu'en vertu des dispositions du paragraphe (*c*) de l'article 76 de la *Loi des terres fédérales* il soit autorisé à accorder à M. Campbell la concession gratuite du quart fractionnaire sud-ouest de la section 14, township 72, rang 7, à l'ouest du 6e méridien, contenant 111.3 acres plus ou moins.

LE Ministre de l'Intérieur représente, le 14 septembre 1912, que de nombreuses requêtes ont été reçues au Ministère de l'Intérieur demandant qu'il soit fait prochainement une vente de terres scolaires dans les provinces de Saskatchewan et de Manitoba.

Le Ministre fait observer qu'en vertu des dispositions de la *Loi des terres fédérales* ces terrains ne peuvent être vendus qu'à l'enchère publique et qu'il lui est représenté que le présent automne sorait un temps opportun pour une série de ventes à l'enchères, aucune vente de terres fédérales n'ayant eu lieu depuis l'année 1910 et les conditions, au point de vue de la récolte, étant cette année favorables.

Les endroits désignés pour ces ventes dans la province de Manitoba sont les suivants, savoir : Winnipeg, Hartney, Somerset, Portage-la-Prairie et Virden, les terres scolaires offertes en vente étant celles du sud et du centre de la province qui sont encore disponibles.

Dans la Saskatchewan les endroits suivants sont désignés pour ces ventes : Melville, Canora, Wadena, Quill Lake, Humboldt, Lanigan, Craik, Davidson, Loreburn, Battleford et Scott, les terres étant toutes à des distances commodes de l'endroit de la vente.

Ces terres seraient mises en vente en quarts de sections, à un prix de mise qui a été déterminé dans chaque cas après inspection et évaluation, et les conditions de paiement seraient celles prescrites par la *Loi des terres fédérales*, savoir : un dixième comptant au moment de la vente et le reste en neuf versements annuels égaux et consécutifs, à cinq pour cent d'intérêt par année sur la balance du prix d'achat qui reste impayée de versement en versement.

Le Ministre étant d'avis qu'en vue des nombreuses demandes de ces terres il serait de l'intérêt public et à l'avantage du fonds des écoles dans les provinces de Manitoba et de Saskatchewan qu'une partie des terres scolaires soient offertes en vente au cours du présent automne, il demande l'autorisation de faire la vente à l'enchère de ces terres aux endroits ci-dessus mentionnés dans les provinces de Manitoba et de Saskatchewan, les dates de ces ventes devant être déterminées dès que les mesures nécessaires auront été prises, conformément aux stipulations de la *Loi des terres fédérales* concernant la vente des terres scolaires.

Le comité recommande que l'autorisation nécessaire soit accordée.

PRÉSENT :

SON EXCELLENCE LE SUPPLÉANT DU GOUVERNEUR GÉNÉRAL EN CONSEIL.

LE Ministre de l'Intérieur fait rapport, le 13 août 1912, qu'un arrêté en conseil daté le 30 janvier 1911 autorisait la vente à M. Charles Brotman du quart nord-ouest de la section 24, township 12, rang 26, à l'ouest du méridien principal, au prix de cinq dollars l'acre, sujet aux conditions ordinaires de homestead, le paiement devant être d'un quart comptant et le reste en trois versements annuels égaux avec intérêt de cinq pour cent par année,

Le Ministre représente que M. Brotman ayant protesté que ce terrain ne valait pas le prix demandé, un inspecteur de homesteads reçut ordre de le visiter et de faire rapport de sa valeur, et que dans un rapport daté le 29 juillet le dit fonctionnaire déclare que trois dollars l'acre serait un prix raisonnable pour le quart de section susdit.

Dans ces circonstances, le Ministre recommande que l'arrêté en conseil du 30 janvier 1911 soit rescindé et demande l'autorisation de vendre à M. Brotman le quart de section susdit au prix de trois dollars l'acre. La vente étant sujette aux conditions ordinaires de homestead.

Le comité soumet cette demande pour approbation.

Greffier du Conseil privé.

LE Ministre de l'Intérieur fait rapport, le 5 septembre 1912, que l'agent des terres fédérales à Dauphin, dans la province du Manitoba, a récemment soumis les preuves à l'appi du droit des personnes suivantes, qui résident à Meadow Portage, dans la province du Manitoba, à participer dans la concession de scrip aux métis des Territoires du Nord-Ouest :

William Sabiston, né en 1884.

Le Ministre étant d'avis que ces réclamations devraient être admises (la preuve étant satisfaisante), il recommande qu'elles soient approuvées et qu'en vertu de l'article 76 de la *Loi des terres fédérales* il soit autorisé d'y satisfaire en accordant dans chaque cas le scrip donnant droit au concessionnaire de présenter au bureau des terres fédérales dans le district duquel le terrain choisi est situé une demande d'un quart de section et d'un demi quart de section des terres fédérales disponibles pour l'inscription de homesteads dans les provinces de Manitoba, Saskatchewan et Alberta.

DEMANDES AU PARLEMENT.

CHAMBRE DES COMMUNES.

RÈGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session, et tout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'Examinateur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

Instruction aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

Dépôt de bills et honoraires.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill ; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents piastres.

Taxes supplémentaires.

3. Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent savoir :—

(*a*) Lorsqu'une règle de la Chambre est suspendue relativement à un bill, ou à la pétition de ce bill pour chaque suspension..........................	$ 100 00

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter, sans qu'il y ait augmentation du capital social, le droit additionnel est de $300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

SENAT.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que revisées et mises en vigueur le 22 mars 1906.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé ; il fait insérer cet avis, pendant trois

mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'*Acte de la preuve en Canada, 1893*.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(*1*) La résidence du pétitionnaire à l'époque de la signification.

(*2*) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(*3*) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(*4*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*5*) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(*a*) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(*b*) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(*c*) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

(*d*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

SÉNAT.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada ;* cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires ; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une *compagnie de chemin de fer ou de canal*,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une *compagnie de télégraphe ou de téléphone*,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une *compagnie pour la confection de travaux quelconques*, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une *compagnie de banque ;* une *compagnie d'assurance ;* une *compagnie de crédit ;* une *compagnie de prêt* ou une *compagnie industrielle*, sans pouvoirs exclusifs —dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement

mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : "*Avis de bill privé*" ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en consideration par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de $200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Thursday, the 10th day of October, 1912.

PRESENT :

HIS EXCELLENCY THE DEPUTY GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council, on the recommendation of the Minister of Marine and Fisheries, advise that the Order in Council of the 24th June, 1911, appointing Messrs. C. J. Osman and E. W. Osman, Lynds and Captain Turner dispensed with, owing to active political partisanship.

The Committee on the same recommendation further advise that, in accordance with the provisions of section 429 of The Canada Shipping Act, chapter 113, Revised Statutes, Mr. Watson Steeves, of Hillsboro, Captain B. T. Carter, of Hopewell Cape, and Isaac C. Prescott, of Albert, be appointed Commissioners for the Pilotage District of Shepody Basin, in the room of Messrs. Osman, Lynds and Captain Turner.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Wednesday, the 2nd day of October, 1912.

PRESENT :

HIS EXCELLENCY THE DEPUTY GOVERNOR GENERAL IN COUNCIL.

THE Acting Minister of the Interior submits under date 5th September, 1912, that application has been made by Mr. Andrew Good for a permit to cut ties, mine props and cordwood on the Northeast quarter of section 11, township 8, range 6, west of the 5th Meridian, situated in the Rocky Mountains Forest Reserve, that it was considered at the time the application was received that the land was included in the School Lands Endowment, and the applicant was therefore advised that permit would issue in accordance with the usual regulations for the disposal of timber on Dominion Lands, but on its later being decided that the land was not so included, the authority for the issuance of the permit was of necessity withdrawn.

The Minister states that he has caused an examination to be made of the said timber and finds that there are approximately 5,000 ties, 70,000 lineal feet of mine props and 200 cords of fuel-wood which have been killed by fire and should be cut without delay in order to secure its proper and economic utilization.

The Minister, therefore, recommends that, under the authority of subsection (*b*) of section 17 of The Dominion Forest Reserves and Parks Act, assented to on the 19th of May, 1911, he be authorized to grant a permit to the said Andrew Good to cut the timber on the said quarter section on payment of dues in accordance with the regulations governing the Granting of Yearly Licenses and Permits to cut Timber on Dominion Lands, approved by Order in Council of the 1st July, 1898, and subsequent Orders in Council, the cutting to be done subject to the regulations relating to forest reserves.

The Committee submit the same for approval.

RODOLPHE BOUDREAU,
16–4 Clerk of the Privy Council.

That the Commissioners have made application for an agreement between the Minister of the Interior and themselves, looking to the transfer to them of the Dominion overflow lands in and around Sumas lake, containing approximately 12,120 acres, upon the reclamation scheme being successfully completed ;

That the Commissioners have interested the L. M. Rice Company, Limited, a Company incorporated under the Statutes of the State of Washington and registered to do business in the Province of British Columbia, and have entered into an agreement with this Company, providing for the construction of certain dyking works conditionally on the Minister of the Interior entering into an agreement with the Commissioners providing for the ultimate transfer of the Dominion overflow lands applied for in and around Sumas lake upon the successful reclamation of same ;

That the Department of the Interior has been furnished with plans, specifications, etc., of the proposed scheme of reclamation, also with a copy of the agreement between the Commissioners and the L. M. Rice Company, Limited ;

That the lands applied for have been inspected by the Chief Engineer of the Railway Belt Hydrographic Survey, who reported that the Dominion lands in and around Sumas lake are at present useless and unsuited for homesteading under the Dominion Lands Act on account of the perpetual inundation of nearly 9,000 acres in the bed of Sumas lake and the periodical flooding of about 2,000 acres for several months each summer during the high water season of the Fraser and Chilliwack rivers ; that in addition to the said Dominion lands there are some 20,000 acres of private lands adjoining and surrounding the said Dominion lands, which private lands are also subject to regular or occasional flooding during the same high water period, and thereby productiveness of the said land is greatly decreased ; that the reclamation of these Dominion and private lands would be a great boon to the Fraser valley and the Province of British Columbia not only on account of the large area of now useless Dominion lands that would be rendered fertile and productive, but the enhanced value and usefulness of the still larger area of private lands whose present productiveness is minimized by the constant menace of flooding ; and that the best advice of eminent engineers for many years declares that the reclamation of the above lands is practicable from both engineering and economic points of view, the total cost being in the neighbourhood of one million dollars.

The Minister, in view of the above, recommends that he be authorized to enter into an agreement with the Board of Commissioners for the Chilliwack-Sumas Drainage and Dyking District, looking to the transfer of the Dominion overflow lands in and around Sumas lake, as set out in schedule hereto attached, on the following conditions :—

1. That the lands applied for shall be successfully reclaimed and rendered fit for agricultural purposes within four years from the date of the agreement.

2. That no patent for any of the lands shall issue until the Minister of the Interior is satisfied,—through a report by a Department engineer,—that all the said Dominion overflow lands possible of reclamation have been successfully reclaimed and rendered fit for agricultural purposes, and that the reclamation works have withstood the high water of the summer following the completion of the dyking works ;

3. Upon the successful completion of the dyking scheme the lands will be sold the Commissioners at the nominal price of One Dollar.

4. That the Department assumes no responsibility for the manner and method of the reclamation ; for the providence or improvidence of the agreement between the Commissioners and the L. M. Rice Company, Limited ; and no responsibility for the proper inspection of the work during its progress, merely

reserving the right to say whether or not the reclamation has been successfully completed.

The Committee submit the foregoing recommendation for approval.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

THE Acting Minister of the Interior states, under date 23rd September, 1912, that in view of the demand for School Lands in that locality, and of the favourable crop conditions, he is of the opinion that it would be in the public interest to offer the following School Lands for sale by public auction in the Province of Alberta, namely :—

Section 29, Township 20, Range 5, West 4th.
" 29, " 20, " 6, " "

Rules and Regulations Governing the Registration of Terminal Elevator Warehouse Receipts.

1. Every terminal warehouseman shall as soon as possible after the 31st day of August in each year prepare and deliver to the Deputy Registrar a statement in triplicate (on the forms prescribed by the Board) of all outstanding warehouse receipts at that date ; and shall also at the same time submit a separate statement showing any car lots or parcels of grain in store for which no receipts have been issued.

2. The warehouseman shall issue to the person entitled to receive it a warehouse storage receipt for each individual car load lot or parcel of grain subject to his order which shall state—

3. Every warehouse receipt before being delivered to the party entitled to receive same shall be tendered by the warehouseman to the Deputy Registrar for registration and shall be accompanied by a list in triplicate setting forth the number of each receipt and the date thereof ; the ex car number ; the kind and grade of grain ; the gross weight, dockage and net weight, also the name of the elevator issuing such receipt.

4. No grain shall be shipped from any terminal elevator by the warehouseman and no grain shall be delivered by the warehouseman from his elevator to the shipper unless the covering warehouse storage receipts shall have first been surrendered by the shipper to the operator thereof.

5. When any grain is delivered or shipped from any terminal elevator the operator thereof shall tender to the Deputy Registrar for "Registration for Cancellation" registered warehouse storage receipts covering the same both as to quantity and grade. All such receipts tendered to the Deputy Registrar as aforesaid shall be accompanied by a list in triplicate giving the number of the receipt, date out of store, the amount, grade and kind of grain represented by such receipt. The owner, lessee or manager of every terminal elevator shall furnish the Warehouse Deputy Registrar weekly with the correct statement in duplicate of the amount of each kind and grade of grain received in store in his elevator during the week ; also the amount of each kind and grade of grain delivered or shipped from his elevator during the week ; the amount of each kind and grade of grain in store brought forward from the previous report and each kind and grade of grain in store at the close of business, the date at which the report is compiled.

7. Only the forms prescribed by the Board for registration purposes shall be used by terminal elevators in their reports.

8. Every terminal elevator operator shall furnish the Deputy Registrar in duplicate a sample copy of terminal elevator warehouse storage receipt which he proposes to issue. AT THE GOVERNMENT HOUSE AT OTTAWA.

Thursday, the 20th day of September, 1912.

PRESENT :

HIS EXCELLENCY THE DEPUTY GOVERNOR GENERAL IN COUNCIL.

THE Minister of the Interior, under date 14th September, 1912, states that numerous applications have been received in the Department of the Interior for an early sale of School Lands in the Provinces of Saskatchewan and Manitoba.

The Minister observes that, in accordance with the provisions of The Dominion Lands Act, these lands can only be disposed of by sale at public auction, and it is represented to him that the present autumn would be a suitable time for holding a series of auction sales, as no general sales of School Lands have been held since the year 1910, and the crop conditions this year are favourable.

It is proposed that sales should be held in Manitoba at the following points, namely,—Winnipeg, Hartney, Somerset, Portage la Prairie and Virden, the lands to be offered at these points being the undisposed of School Lands in the Southern and Central parts of the Province.

The points at which it is proposed to hold the Saskatchewan sales are as follows,—Melville, Canora, Wadena, Quill Lake, Humboldt, Lanigan, Craik, Davidson, Loreburn, Battleford and Scott, the lands to be offered being all within a reasonable distance of the points of sale.

They would be offered in quarter-sections, subject to an upset price which has already been determined in each case by actual inspection and valuation, and the terms of payment would be those prescribed by The Dominion Lands Act, namely,—one-temth in cash at the time of the sale, and the balance in nine equal successive annual instalments, with interest at the rate of 5% per annum on the balance of the purchase money from time to time remaining unpaid.

The Minister, being of the opinion that in view of the demand for those lands it would be both in the public interest and in that of the School Lands Endowment Funds of the Provinces of Manitoba and Saskatchewan that a portion of the School Lands be offered for sale during the present autumn, recommends that he be authorized to hold auction sales of such lands at the points before mentioned in the Provinces of Manitoba and Saskatchewan, the dates of such sales to be fixed as soon as the necessary arrangements can be made, and the sales to be subject to the terms and conditions prescribed by The Dominion Lands Act in regard to the sales of School Lands.

The Committee advise that the requisite authority be granted accordingly.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

Thursday, the 19th day of September, 1912.

PRESENT:

HIS EXCELLENCY THE DEPUTY GOVERNOR GENERAL IN COUNCIL.

THE Minister of the Interior, under date the 13th of August, 1912, reports that by Order in Council, dated the 30th January, 1911, authority was granted to sell Mr. Charles Brotman the north-west quarter of Section 24, Township 12, Range 26, west of the Principal Meridian, at five dollars per acre, subject to the ordinary homestead conditions, payment to be made one-fourth in cash and the remainder in three equal annual instalments with interest at five per cent per annum.

The Minister states that Mr. Brotman having protested that the land mentioned was not worth the price asked, a Homestead Inspector was instructed to visit this land with a view to furnishing a report as to the actual value thereof, and that in a report, dated the 29th July, the said official sets out that three dollars per acre would be a fair price for the quarter section in question.

The Minister, under these circumstances, recommends that the Order in Council of the 30th January, 1911, be rescinded, and that authority be given for the sale to Mr Brotman of the quarter section above mentioned at the rate of three dollars per acre, subject to the ordinary homestead conditions.

The Committee submit the same for approval.

Clerk of the Privy Council.

Saturday, the 28th day of September, 1912.

PRESENT:

HIS EXCELLENCY THE DEPUTY GOVERNOR GENERAL IN COUNCIL.

THE Minister of the Interior, under date the 8th July, 1912, reports that Mr. John Henderson has made application to be permitted to acquire the S.E.¼ of Section 27, Township 22, Range 2, east of the principal Meridian, in compensation for the deficiency in area in his title to Lot numbered 39 in the Parish of Kildonan, in the Province of Manitoba.

The Minister states that evidence has been submitted showing Mr. Henderson's claim under The Manitoba Act, which claim is now represented by the said Lot, was not settled by a grant of the full area of 100 acres of land acquired from the Hudson's Bay Company, as the area of the said Lot comprised 79 acres only, thus leaving a deficiency of 21 acres.

The Minister observes that, their being no available land in the vicinity of the said parish from which such deficiency could be made up, Mr. Henderson requested that the said S.E. ¼ of Section 27, Township 22, Range 2, east of the Principal Meridian, be granted him in lieu of the said 21 acres, the difference in this area and that of a quarter section of Dominion Lands (160 acres) being fairly represented by the enhanced value of Lots in the Parish of Kildonan which adjoins the City of Winnipeg.

The Minister, being of the opinion that the application should receive favourable consideration, recommends that a free grant be authorized to Mr. Henderson of the S.E. ¼ of Section 27, Township 22, Range 2, east of the Principal Meridian, in lieu of the deficiency in area of his title to Lot Numbered 39, in the Parish of Kildonan, in the Province of Manitoba.

The Committee submit the same for approval.

Clerk of the Privy Council.

Thursday, the 19th day of September, 1912.

PRESENT:

HIS EXCELLENCY THE DEPUTY GOVERNOR GENERAL IN COUNCIL.

THE Minister of the Interior, under date the 5th September, 1912, reports that evidence was recently submitted to the Agent of Dominion Lands at Dauphin, in the Province of Manitoba, in support of the claims of the following persons who reside at Meadow Portage in the Province of Manitoba, to share in the grant of scrip to the Half-breeds of the North-West Territories:—

George Sabiston, the elder, born about 1850, son of William Sabiston and Mary Robeson, and of his children;
George Sabiston, the younger, born in 1870;
James Sabiston, born in 1874;
Louisa Geslason, née Sabiston, wife of Oliver Geslason, born in 1878;
Colin Sabiston, born in 1880;
William Sabiston, born in 1884.

The Minister, being of opinion that the claims in question should be allowed (the evidence submitted having been found satisfactory), recommends that they be approved and that he be authorized, under subsection (*b*) of section 76 of The Dominion Lands Act, to issue in satisfaction of such claims, scrip in each case entitling the grantee to enter at the office of the Agent of Dominion Lands, in whose District the land which may be selected is situate, for an available quarter section and half a quarter section of Dominion Lands of the class open to homestead entry in the Provinces of Manitoba, Saskatchewan or Alberta.

The Committee submit the same for approval.

Clerk of the Privy Council.

WHEREAS the Rural Municipality of Norton No. 69 was in May, 1911, granted three acres of land comprised in the N.E.¼ of Section 15, Township 8, Range 20, west of the Second Meridian, for cemetery purposes, and has applied for an additional grant of .063 of an acre comprised in the adjoining N.W.¼ of the said section 15;

And whereas the consent of the pre-empter of the said N.W.¼ of section 15, Township 8, Range 20, west of the Second Meridian, has been obtained, to the parcel required being withdrawn therefrom for the said purposes,—

Therefore the Governor General in Council, in virtue of the provisions of subsection (*d*) of section 76 of The Dominion Lands Act, is pleased to order and it is hereby ordered that .063 of an acre, comprised in the N.W.¼ of Section 15, Township 8, Range 20, west of the Second Meridian, be set apart and appropriated for cemetery purposes.

The Governor General in Council is further pleased to authorize a grant thereof to the Rural Municipality of Norton No. 69 for the said purposes and the same is hereby authorized accordingly.

SUBSTANCE OF RULES OF THE SENATE RELATING TO NOTICES AND APPLICATIONS FOR BILLS OF DIVORCE.

As Revised and brought in force 22nd March, 1906.

Every applicant for a Bill of Divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Albérta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but otherwise shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with

during that session the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee as sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for bill for divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage, the names in full of the parties thereto, their ages and occupations, when, where and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893.*

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information :—

(1) The petitioner's residence at the time of service.

(2) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.

(3) The name and address of the solicitor, if any, acting for the petitioner.

(4) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(5) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give :—

(a) The respondent's residence at the time of sending such notice.

(b) A Post Office address in Canada at which letters and notices for the respondent may be delivered.

(c) The name and address of the solicitor, if any, acting for the respondent.

(d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.

(6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, ($210.)

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

A copy of every petition for a Bill of Divorce, or relating to any matter arising out of an application for divorce, and of every document and paper accompanying such petition or produced in evidence before the Committee, shall be furnished to the Committee by the person on whose behalf the petition, document or paper is presented or produced.

ARRÊTÉS EN CONSEIL.

[2697]

HOTEL DU GOUVERNEMENT À OTTAWA.

Mercredi, le 2e jour d'octobre 1912.

Présent :

SON EXCELLENCE LE SUPPLÉANT DU GOUVERNEUR GÉNÉRAL EN CONSEIL.

Le Ministre suppléant de l'Intérieur représente, le 5 septembre 1912, que M. Andrew Good a demandé un permis de couper des traverses de chemin de fer, des étançons de galeries de mine et du bois de chauffage dans le quart nord-est de la section 11, township 8, rang 6, à l'ouest du 5e méridien, situé dans la réserve forestière des Montagnes Rocheuses. On croyait lors de la demande que le terrain ci-dessus faisait partie des terres réservées au fonds des écoles, et le requérant fut avisé qu'un permis lui serait accordé d'après les règlements ordinaires régissant la vente du bois sur les terres fédérales. Mais il fut plus tard constaté que ce terrain ne faisait pas partie des terres scolaires, et l'autorisation d'accorder le permis fut nécessairement retirée.

Le Ministre ajoute qu'il a fait faire un examen du bois ci-dessus mentionné et qu'il constate que le feu en a tué ce qui donnerait approximativement 5,000 traverses de chemin de fer, 70,000 pieds linéaires d'étançons de mine et 200 cordes de bois de chauffage, et que ce bois devrait être abattu sans délai afin de pouvoir être utilisé avantageusement.

Par conséquent, le Ministre recommande qu'en vertu des dispositions du paragraphe (*b*) de l'article 17 de la *Loi des réserves forestières fédérales* sanctionnée le 19 mai 1911, il soit autorisé à accorder un permis au dit Andrew Good de couper le bois sur le quart de section susdit sur paiement des droits conformément aux règlements régissant l'octroi de licences et de permis annuels de coupe de bois sur les terres fédérales, règlements approuvés par arrêté en conseil du 1er juillet 1898 et des arrêtés subséquents. La coupe sera sujette aux règlements concernant les réserves forestières.

Le comité soumet cette recommandation pour approbation.

SON EXCELLENCE LE SUPPLÉANT DU GOUVERNEUR GÉNERAL EN CONSEIL.

LE Ministre de l'Intérieur fait rapport, le 13 septembre 1912, que M. Alexis Campbell a demandé la concession gratuite du quart fractionnaire sud-ouest de la section 14, township 72, rang 7, à l'ouest du 6e méridien, basant sa demande sur le fait qu'il occupait ce terrain à la date de l'extinction du titre des Indiens.

La preuve ayant été établie que le requérant occupait réellement le terrain sus lit à la date du traité indien n° 8 à l'été de 1899, le Ministre recommande qu'en vertu des dispositions du paragraphe (c) de l'article 76 de la *Loi des terres fédérales* il soit autorisé à accorder à M. Campbell la concession gratuite du quart fractionnaire sud-ouest de la section 14, township 72, rang 7, à l'ouest du 6e méridien, contenant 111.3 acres plus ou moins.

Mercredi, le 2e jour d'octobre 1912.

PRÉSENT :

SON EXCELLENCE LE SUPPLÉANT DU GOUVERNEUR GÉNERAL EN CONSEIL.

LE Ministre suppléant de l'Intérieur fait rapport, le 16 septembre 1912, qu'en vertu des dispositions de la loi provinciale concernant le drainage et l'endiguement les propriétaires fonciers du district de Chilliwack-Sumas, par des pétitions publiées dans la *British Columbia Gazette* le 29 novembre 1906 et le 28 septembre 1905, ont élu un bureau de commissaires pour diriger le travail d'endiguement et de drainage dans le district de Chilliwack-Sumas dans la province de la Colombie-Britannique. Ces commissaires sont autorisés à faire, soit directement soit en les donnant à l'entreprise, des travaux de drainage et d'endiguement pour la protection et le desséchement du terrain mentionné dans les pétitions par lesquelles ils ont été élus. L'argent nécessaire à ces travaux doit être prélevé conformément à la dite loi au moyen d'une taxe prélevée sur les terres concernées. Le district de drainage et d'endiguement de Chilliwack-Sumas couvre une superficie d'environ 30,000 acres, comprenant à peu près les terres inondées par les eaux du lac Sumas ; ce district est situé dans la zone des chemins de fer, du côté sud de la rivière Fraser, quarante milles à l'est de Vancouver, et contient 12,120 acres de terres fédérales, y compris quelques 9000 acres du lit du lac Sumas.

Le Ministre ajoute ce qui suit :

Les commissaires ont demandé qu'il soit fait une convention entre le Ministre de l'Intérieur et eux-mêmes leur transférant les terres fédérales submergées dans le lac Sumas et autour de ce lac, comprenant approximativement 12,120 acres, lorsqu'ils auront réussi à mettre à exécution leur plan de desséchement.

Les commissaires ont intéressé au projet la Compagnie L. M. Rice, à responsabilité limitée, compagnie constituée en corporation en vertu des statuts de l'Etat de Washington et enregistrée pour exercer dans la province de la Colombie-Britannique, et ont passé avec cette compagnie une convention pour l'exécution de certains travaux d'endiguement à la condition que le Ministre de l'Intérieur convienne avec les commissaires de leur transférer les terres fédérales submergées susdites dans le lac Sumas et autour de ce lac quand ils auront réussi à le dessécher.

Des plans, devis, etc., des travaux de desséchement projetés ont été déposés au Ministère de l'Intérieur, ainsi qu'une copie de la convention entre les commissaires et la Compagnie L. M. Rice, à responsabilité limitée.

Les terres demandées ont été inspectées par l'ingénieur en chef des levers hydrographiques de la zone des chemins de fer, qui a fait rapport que les terres fédérales du et autour du lac Sumas ne sont actuellement d'aucune utilité et ne conviennent pas à la colonisation telle que prévue par la loi des terres fédérales à cause de l'inondation continuelle de près de 9,000 acres du lit du lac Sumas et de l'inondation périodique d'environ 2,000 acres chaque été à l'époque des crues des rivières Fraser et Chilliwack. Outre les dites terres fédérales, il y a qui les avoisinent et les entourent 20,000 acres de terre appartenant à des particuliers et qui sont exposés aux inondations régulières ou périodiques à l'époque des crues, et dont la productivité est de ce fait grandement diminuée. Le desséchement de ces terres fédérales et privées serait d'un grand avantage pour la vallée de la rivière Fraser et la province de la Colombie-Britannique, non seulement à cause de la grande étendue de terres fédérales maintenant inutiles qu'on rendrait ainsi fertiles et productives, mais aussi à cause de l'augmentation de valeur et d'utilité d'une plus grande étendue encore de terres privées dont le danger constant d'inondation diminue la productivité. Depuis plusieurs années des ingénieurs éminents sont d'avis que le desséchement des terres susdites est possible aux points de vue pratique et économique, le coût total étant d'environ un million de dollars.

En vue de ces faits, le Ministre demande l'autorisation de consentir à une convention avec le Bureau des commissaires du district de drainage et d'endiguement de Chilliwack-Sumas leur transférant les terres inondées du lac Sumas et des environs, conformément au tableau annexé, aux conditions suivantes :

1. Les terres demandées seront parfaitement desséchées et rendues propres à l'exploitation agricole dans quatre ans de la date de la convention.

2. Les lettres patentes d'aucune de ces terres ne seront accordées avant que le Ministre de l'Intérieur ait constaté, par un rapport d'un ingénieur du Ministère, que toutes ces terres fédérales qui peuvent être desséchées l'ont bien été et sont propres à l'exploitation agricole, et que les travaux de desséchement ont résisté aux crues de l'été qui a suivi l'achèvement des travaux d'endiguement.

3. Au parachèvement des travaux d'endiguement les terres susdites seront vendues aux Commissaires au prix nominal d'un dollar.

4. Le Ministère n'assume aucune responsabilité quant à la manière et la méthode de desséchement, la prévoyance ou l'imprévoyance de la convention entre les commissaires et la Compagnie L. M. Rice, ou quant à la bonne inspection au cours des travaux, se réservant seulement le droit de décider si oui ou non les travaux de desséchement ont été parachevés avec succès.

Le comité soumet cette demande pour approbation.

RODOLPHE BOUDREAU,
Greffier du Conseil privé.

HOTEL DU GOUVERNEMENT À OTTAWA.

Mardi, le 1er jour d'octobre 1912.

PRÉSENT :

SON EXCELLENCE LE SUPPLÉANT DU GOUVERNEUR GÉNERAL EN CONSEIL.

IL plaît au Gouverneur général en conseil, en vertu des dispositions de l'article 12 de la loi adoptée à la dernière session du Parlement du Canada, chapitre 27, intitulé *Loi des grains du Canada*, d'approuver par ces présentes les règlements et le tarif de droits suivants pour l'inscription des récépissés d'entrepôts de tête de ligne, lesquels règlements et tarif ont été établis par la Commission des grains par résolution datée le 14 septembre 1912 pour être mis en vigueur le 16 septembre 1912.

RÈGLEMENTS RÉGISSANT L'INSCRIPTION DES RÉCÉPISSÉS D'ENTREPOTS TÊTE DE LIGNE.

1. Tout entreposeur d'un élévateur de tête de ligne devra aussitôt que possible après le premier jour d'août de chaque année préparer et présenter au sous-régistrateur un état en triplicata (sur les formules prescrites par la Commission) de tous les récépissés d'entrepôt non rentrés à cette date : il devra aussi présenter à la même date un autre état des chargements de wagon ou des lots de grain en magasin pour lesquels il n'a pas été donné de récépissés.

2. L'entreposeur remettra à la personne qui y a droit un récépissé d'entrepôt pour chaque chargement de wagon ou expédition de grain, sujet à l'ordre de cette personne, lequel récépissé contiendra :—

(*a*) La date de la réception du grain à l'élévateur, ainsi que la quantité et la qualité d'après l'inspection.

(*b*) Que le grain y mentionné a été reçu à l'élévateur pour y être emmagasiné avec du grain de la même qualité d'après l'inspection,

(*c*) Que le grain est livrable sur présentation du récépissé dûment endossé par la personne à l'ordre de laquelle il a été émis, et sur paiement des droits d'emmagasinage et des frais de transport, s'il en est, dus au propriétaire de l'élévateur. (Voir article 127 de la Loi des grains du Canada.)

3. Tout récépissé d'entrepôt avant d'être donné à celui qui y a droit sera présenté par l'entreposeur au sous-régistrateur pour inscription et sera accompagné d'une liste en triplicata donnant le numéro et la date de chaque récépissé, le numéro du wagon, la variété et la qualité du grain, le poids brut, la tare et le poids net, ainsi que le nom de l'élévateur qui délivre ce récépissé.

4. Aucun grain ne sera expédié d'un élévateur de tête de ligne par l'entreposeur et aucun grain ne sera livré par l'entreposeur à l'expéditeur à moins que les récépissés d'entrepôt pour ce grain n'aient d'abord été délivrés par l'expéditeur à l'entreposeur.

5. Quand du grain est livré ou expédié d'un élévateur de tête de ligne, l'entreposeur doit présenter au sous-régistrateur pour "inscription pour annulation" les récépissés d'entrepôt pour ce grain tant au point de vue de la quantité que de la qualité. Tous ces récépissés présentés au sous-régistrateur comme susdit seront accompagnés d'une liste en triplicata donnant le numéro du récépissé, la date de la sortie et l'entrepôt, la quantité, la qualité et la variété du grain couvert par ce récépissé. Ce récépissé sera présenté au sous-registrateur pour annulation le plus tôt possible après l'expédition du grain, dans aucun cas, sauf par un délai inévitable, plus de trois jours après que ce grain est sorti de l'élévateur.

6. Le propriétaire, locataire ou gérant de tout élévateur de tête de ligne présentera chaque semaine au sous-régistrateur un état exact en duplicata de la quantité de chaque variété et qualité de grain emmagasiné dans son élévateur au cours de la semaine, ainsi que la quantité de chaque variété et qualité de grain livré ou expédié de son élévateur au cours de la semaine, la quantité de chaque variété et qualité de grain en magasin reportée du rapport précédent et de chaque variété et qualité de grain en magasin à la clôture des affaires, la date où le rapport est préparé.

7. Les entreposeurs de tête de ligne ne se serviront pour leurs rapports que des formules prescrites par la Commission pour l'inscription.

8. Tout entreposeur de tête de ligne présentera au sous-régistrateur une copie modèle en duplicata du récépissé d'entreposage qu'il se propose de délivrer. La dite copie modèle portera la signature de chaque fonctionnaire de cet élévateur qui est autorisé à signer et contresigner ce récépissé. Ce récépissé sera libellé "copie modèle seulement."

9. Chaque élévateur de tête de ligne paiera au bureau de la Commission des grains un droit de 4 cents par 1,000 boisseaux pour l'inscription lors de la mise en entrepôt et de 4 cents par 1,000 boisseaux pour l'inscription d'annulation.

A la fin de chaque mois le bureau de la Commission des grains présentera à chaque élévateur de tête de ligne un compte de ces droits et ce compte sera immédiatement dû et payable et devra être payé par l'entreposeur au sous-régistrateur avant le 10 du mois suivant.

Samedi, le 28e jour de septembre 1912.

PRÉSENT :

SON EXCELLENCE LE SUPPLÉANT DU GOUVERNEUR GÉNÉRAL EN CONSEIL.

LE Ministre suppléant de l'Intérieur représente, le 23 septembre 1912, qu'en vue de la demande des terres scolaires dans cette localité et de l'état favorable de la récolte, il est d'avis qu'il serait de l'intérêt public d'offrir en vente à l'enchère publique les terres scolaires suivantes dans la province d'Alberta, savoir :

Section 29, township 20, rang 5, à l'ouest du 4e M.
" 29, " 20, " 5, "
" 29, " 20, " 7, "
" 29, " 21, " 5, "
" 29, " 21, " 6, "
" 29, " 21, " 7, "

Par conséquent, le Ministre demande l'autorisation d'offrir en vente à l'enchère publique, à Medicine-Hat, au cours de cet automne et à une date qui sera déterminée dès après l'évaluation, les terres ci-dessus mentionnées.

La mise à prix sera déterminée par l'évaluation et les conditions de la vente seront conformes aux dispositions de la *Loi des terres fédérales* concernant la vente des terres scolaires.

Le comité soumet cette demande pour approbation.

RODOLPHE BOUDREAU,
14-4 Greffier du Conseil privé.

Vendredi, le 20e jour de septembre 1912.

PRÉSENT :

SON EXCELLENCE LE SUPPLÉANT DU GOUVERNEUR GÉNÉRAL EN CONSEIL.

LE Ministre de l'Intérieur représente, le 14 septembre 1912, que de nombreuses requêtes ont été reçues au Ministère de l'Intérieur demandant qu'il soit fait prochainement une vente de terres scolaires dans les provinces de Saskatchewan et de Manitoba.

Le Ministre fait observer qu'en vertu des dispositions de la *Loi des terres fédérales* ces terrains ne peuvent être vendus qu'à l'enchère publique et qu'il lui est représenté que le présent automne serait un temps opportun pour une série de ventes à l'enchères, aucune vente de terres fédérales n'ayant eu lieu depuis l'année 1910 et les conditions, au point de vue de la récolte, étant cette année favorables.

Les endroits désignés pour ces ventes dans la province de Manitoba sont les suivants, savoir : Winnipeg, Hartney, Somerset, Portage-la-Prairie et Virden, les terres scolaires offertes en vente étant celles du sud et du centre de la province qui sont encore disponibles.

Dans la Saskatchewan les endroits suivants sont désignés pour ces ventes : Melville, Canora, Wadena, Quill Lake, Humboldt, Lanigan, Craik, Davidson, Loreburn, Battleford et Scott, les terres étant toutes à des distances commodes de l'endroit de la vente.

Ces terres seraient mises en vente en quarts de sections, à un prix de mise qui a été déterminé dans chaque cas après inspection et évaluation, et les conditions de paiement seraient celles prescrites par la *Loi des terres fédérales*, savoir : un dixième comptant au moment de la vente et le reste en neuf versements annuels égaux et consécutifs, à cinq pour cent d'intérêt par année sur la balance du prix d'achat qui reste impayée de versement en versement.

Le Ministre étant d'avis qu'en vue des nombreuses demandes de ces terres il serait de l'intérêt public et à l'avantage du fonds des écoles dans les provinces de Manitoba et de Saskatchewan qu'une partie des terres scolaires soient offertes en vente au cours du présent automne, il demande l'autorisation de faire la vente à l'enchère de ces terres aux endroits ci-dessus mentionnés dans les provinces de Manitoba et de Saskatchewan, les dates de ces ventes devant être déterminées dès que les mesures nécessaires auront été prises, conformément aux stipulations de la *Loi des terres fédérales* concernant la vente des terres scolaires.

Le comité recommande que l'autorisation nécessaire soit accordée.

RODOLPHE BOUDREAU,
13-4 Greffier du Conseil privé.

Samedi, le 28e jour de septembre 1912.

PRÉSENT :

SON EXCELLENCE LE SUPPLÉANT DU GOUVERNEUR GÉNÉRAL EN CONSEIL.

LE Ministre de l'Intérieur fait rapport, le 8 juillet 1912, que M. John Henderson a demandé la permission d'acquérir le quart sud-est de la section 27, township 22, rang 2, à l'est du méridien principal, en compensation pour ce qui manquait à son titre au lot n° 39 dans la paroisse de Kildonan, province de Manitoba.

Le Ministre représente que la preuve a été établie que la réclamation de M. Henderson en vertu de la Loi du Manitoba, réclamation qui est maintenant représentée par le dit lot, n'a pas été réglée par la concession du terrain de cent acres complets acquis de la Compagnie de la Baie d'Hudson, l'étendue du dit lot n'étant que de 79 acres soit 21 acres en moins.

Le Ministre représente que comme il n'y a dans le voisinage de la dite paroisse aucun terrain qui pourrait être donné en compensation, M. Henderson a demandé que le dit quart sud-est de la section 27, township 22, rang 2, à l'est du méridien principal, lui soit concédé au lieu de ces 21 acres, la différence entre cette étendue de terrain et un quart de section des terres fédérales (160 acres) étant équitablement représentée par l'augmentation en valeur des lots de la paroisse de Kildonan, voisine de la ville de Winnipeg.

Le Ministre étant d'avis que la demande devrait être accordée, il demande l'autorisation de concéder gratuitement à M. Henderson le quart sud-est de la section 27, township 22, rang 2, à l'est du méridien principal, en compensation pour ce qui manque à son titre au lot n° 39, dans la paroisse de Kildonan, province de Manitoba.

Le comité soumet cette demande pour approbation.

PRÉSENT :

SON EXCELLENCE LE SUPPLÉANT DU GOUVERNEUR GÉNÉRAL EN CONSEIL.

Le Ministre de l'Intérieur fait rapport, le 13 août 1912, qu'un arrêté en conseil daté le 30 janvier 1911 autorisait la vente à M. Charles Brotman du quart nord-ouest de la section 24, township 12, rang 26, à l'ouest du méridien principal, au prix de cinq dollars l'acre, sujet aux conditions ordinaires de homestead, le paiement devant être d'un quart comptant et le reste en trois versements annuels égaux avec intérêt de cinq pour cent par année,

Le Ministre représente que M. Brotman ayant protesté que ce terrain ne valait pas le prix demandé, un inspecteur de homesteads reçut ordre de le visiter et de faire rapport de sa valeur, et que dans un rapport daté le 29 juillet le dit fonctionnaire déclare que trois dollars l'acre serait un prix raisonnable pour le quart de section susdit.

Dans ces circonstances, le Ministre recommande que l'arrêté en conseil du 30 janvier 1911 soit rescindé et demande l'autorisation de vendre à M. Brotman le quart de section susdit au prix de trois dollars l'acre. La vente étant sujette aux conditions ordinaires de homestead.

Le comité soumet cette demande pour approbation.

PRÉSENT :

SON EXCELLENCE LE SUPPLÉANT DU GOUVERNEUR GÉNÉRAL EN CONSEIL.

Attendu que la municipalité rurale de Norton n° 69 a obtenu, en mai 1911, la concession de trois acres de terrain compris dans le quart nord-est de la section 15, township 8, rang 20, à l'ouest du 2e méridien, pour les fins d'un cimetière, et a demandé la concession additionnelle d'un .063 d'acre compris dans le quart nord-ouest adjacent de la dite section 15 ;

Et attendu que le détenteur du droit de préemption au dit quart nord-ouest de la section 15, township 8, rang 20, à l'ouest du 2e méridien, a consenti à ce que le terrain requis en soit soustrait pour les dites fins ;

Par conséquent, il plaît au Gouverneur général en conseil, en vertu des dispositions du paragraphe (*d*) de l'article 76 de la *Loi des terres fédérales*, de décréter par ces présentes qu'un .063 d'acre compris dans le quart nord-ouest de la section 15, township 8, rang 20, à l'ouest du 2e méridien, soit mis en réserve et affecté aux fins d'un cimetière.

Il plaît de plus au Gouverneur général en conseil d'autoriser par ces présentes la concession de ce terrain, pour les dites fins, à la municipalité rurale de Norton n° 69.

SON EXCELLENCE LE SUPPLÉANT DU GOUVERNEUR GÉNÉRAL EN CONSEIL.

Le Ministre de l'Intérieur fait rapport, le 5 septembre 1912, que l'agent des terres fédérales à Dauphin, dans la province du Manitoba, a récemment soumis les preuves à l'appui du droit des personnes suivantes, qui résident à Meadow Portage, dans la province du Manitoba, à participer dans la concession de scrip aux métis des Territoires du Nord-Ouest :

George Sabiston, père, né vers 1850, fils de William Sabiston et Mary Robeson, et ses enfants ;

George Sabiston, fils, né en 1870 ;

James Sabiston, né en 1874 ;

Louisa Geslason, née Sabiston, épouse d'Olivier Geslason, née en 1878 ;

Colin Sabiston, né en 1880 ;

William Sabiston, né en 1884.

Le Ministre étant d'avis que ces réclamations devraient être admises (la preuve étant satisfaisante), il recommande qu'elles soient approuvées et qu'en vertu de l'article 76 de la *Loi des terres fédérales* il soit autorisé d'y satisfaire en accordant dans chaque cas le scrip donnant droit au concessionnaire de présenter au bureau des terres fédérales dans le district duquel le terrain choisi est situé une demande d'un quart de section et d'un demi quart de section des terres fédérales disponibles pour l'inscription de homesteads dans les provinces de Manitoba, Saskatchewan et Alberta.

Le comité soumet cette recommandation pour approbation.

DEMANDES AU PARLEMENT.

CHAMBRE DES COMMUNES.

RÈGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session, et tout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'Examinateur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

Instruction aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

Dépôt de bills et honoraires.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill ; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents piastres.

Taxes supplémentaires.

3. Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent savoir :—

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter, sans qu'il y ait augmentation du capital social, le droit additionnel est de $300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

Telles que revisées et mises en vigueur le 22 mars 1906.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé ; il fait insérer cet avis, pendant trois

mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'*Acte de la preuve en Canada, 1893*.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(*1*) La résidence du pétitionnaire à l'époque de la signification.

(*2*) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(*3*) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(*4*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*5*) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(*a*) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(*b*) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(*c*) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

(*d*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*6*) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(*7*) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les service d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

Greffier du Sénat.

SENAT.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada ;* cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires ; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une *compagnie de chemin de fer ou de canal*,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une *compagnie de télégraphe ou de téléphone*,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une *compagnie pour la confection de travaux quelconques*, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une *compagnie de banque ;* une *compagnie d'assurance ;* une *compagnie de crédit ;* une *compagnie de prêt* ou une *compagnie industrielle*, sans pouvoirs exclusifs —dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement

mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : "*Avis de bill privé*" ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en consideration par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de $200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

Saturday, the 19th day of October, 1912.

PRESENT :

HIS EXCELLENCY THE DEPUTY GOVERNOR GENERAL IN COUNCIL.

WHEREAS numerous applications have been received for the leasing of School Lands for fire-clay purposes, and the Minister of the Interior is of the opinion that it would be in the public interest, as well as in that of the School Lands Endowment, to issue leases of School Lands for the purpose mentioned,—

The Governor General in Council is pleased to order as follows :—

Leases of School Lands in the Provinces of Manitoba, Saskatchewan and Alberta, for the purpose of extracting fire-clay therefrom, may be issued under and in accordance with the following Regulations :

REGULATIONS for the leasing and administration of School Lands in the Provinces of Manitoba, Saskatchewan and Alberta for the purpose of extracting Fire-clay therefrom.

'Minister' shall mean the Minister of the Interior.

'Fire-clay location' shall mean a tract of School Lands containing fire-clay.

'Year' shall mean a period of twelve calendar months.

'School Lands' shall mean Sections 11 and 29, or lands that have been selected and set apart in lieu of either of these sections under the provisions of The Dominion Lands Act.

1. School Lands containing fire-clay in the Provinces of Manitoba, Saskatchewan and Alberta may be leased by the Minister at an annual rental of $1.00 per acre, payable yearly in advance, for the purpose of extracting fire-clay therefrom.

Provided that no lease for a fire-clay location shall convey any right to salt, coal, petroleum, natural gas, gold, silver, copper, iron, or other minerals within or under the land covered by the lease, or any exclusive right or interest or other property in, or any exclusive right or privilege with respect to any lake, river, spring, stream or other body of water within or bordering on or passing through the land covered by the lease ;

And provided further that these Regulations shall not apply to School Lands comprised within an incorporated city, town, or village, unless otherwise specially provided by the Governor in Council.

2. The term of the lease shall be twenty-one years, renewable for a further period of twenty-one years, provided the lessee furnishes evidence satisfactory to the Minister to show that during the term of the lease he has complied fully with the terms of such lease, and with the provisions and regulations regarding the dis-

posal and operation of fire-clay locations, which may have been made from time to time by the Governor in Council.

3. The maximum area of a fire-clay location shall be 40 acres, more or less, and no person shall be allowed to locate more than one location.

Provided that a person who has been granted a lease of a location, and who subsequently abandons or assigns the same, may, after the expiration of twelve months from the date of the said lease, be permitted to make another location.

Provided further that such right of re-location shall not be granted unless all payments on account of rent, or other liability to the Department, due by such person, have been fully made, up to the date of the registration by the Department of the assignment of his right to such lease, or up to the date upon which the notice of his abandonment of the same was received by the Department.

4. The location applied for shall consist of a legal subdivision, or part of a legal subdivision :

Provided that parts of two adjoining legal subdivisions may be included in a fire-clay location, but the whole area shall not exceed one-half mile in its greatest dimension, nor shall the length exceed twice the breadth.

5. Application for a location shall be filed by the applicant in person with the Agent of Dominion Lands for the district in which the location is situated.

The application shall contain a full description by legal subdivision, section, township, range and meridian, of the land applied for and shall be accompanied by a declaration from the applicant to the effect that the land comprised within the location contains fire-clay in merchantable quantities.

6. The lessee shall commence active operations on his leasehold within one year from the date upon which he may be notified by the Minister of the Interior to do so, and shall take out or remove from such location the quantity of fire-clay specified in the said notification. Such notification shall not be given until the expiration of at least one year from the date of the lease, and shall set out the quantity of fire-clay which the lessee is required to extract from such location, which quantity may be increased from time to time upon thirty days notice to that effect being given to the lessee.

In case operations are not commenced within the time specified in the notice, or if the required quantity of material is not taken out during each year, the lease shall be subject to cancellation in the discretion of the Minister.

7. The lessee shall not assign, transfer or sublet the rights described in his lease, or any part thereof, without the consent in writing of the Minister being first had and obtained.

8. The boundaries beneath the surface of fire-clay locations shall be the vertical planes or lines in which their surface boundaries lie.

9. The lease shall be in such form as may be determined by the Minister of the Interior, in accordance with the provisions of these regulations.

10. A fee of $5 shall accompany each application for a lease, which will be refunded if the rights applied for are not available, but not otherwise.

11. The applicant shall be given a period of thirty days from the date of the receipt of his application within which to pay to the agent of Dominion Lands the full amount of the rental for the first year of the term of the lease, at the rate of one dollar ($1.00) per acre, and upon the receipt of such rental, if the application is granted, the lease shall be issued, and shall bear date from the day upon which the application was received by the agent.

If the rental is not paid within the time specified, the application shall absolutely lapse, and the right applied for shall become available for other disposition.

12. If during the term of the lease, the lessee shall fail to pay the rental in advance for each subsequent year, at the rate of one dollar ($1.00) an acre per annum, within thirty days after the date upon which the same became due, the lease shall be subject to cancellation in the discretion of the Minister, and to the immediate forfeiture of all rights granted thereunder.

13. A person operating a fire-clay location shall furnish the agent of Dominion Lands for the district in which the location is situated, with sworn returns every six months, or at such times as the Minister may direct, of the quantity of fire-clay taken from the location.

14. Every lessee of fire-clay rights which are not being operated shall furnish the agent of Dominion Lands with a sworn statement to that effect at least once in each year.

15. In case the surface rights of a fire-clay location are covered by a timber license, grazing permit, petroleum lease, mining claim or other form of terminable grant which does not contemplate the issue of patent, the lease shall not authorize entry thereon except the permission of the Minister is first had and obtained and such permission shall be given subject to such conditions for the protection of the rights of such lessee or licensee as it may be considered necessary to impose.

16. In case the mineral rights in any land comprised within a fire-clay location are found to have been disposed of by the Crown and the lessee of such mineral rights cannot make any arrangement with the lessee of the fire-clay location, or his agent, or the occupant thereof, for entry upon the location, or for the acquisition of such portion of the surface rights as may be necessary for the efficient and economical operation of such mineral rights, he may apply to the Minister for permission to submit the matter in dispute to arbitration.

Upon receiving such permission in writing, it shall be lawful for the lessee of the mineral rights to give notice to the lessee of the fire-clay location, or his agent, or the occupant, to appoint an arbitrator to act with another arbitrator named by the lessee of the mineral rights in order to determine what portion of the surface rights the latter may reasonably acquire for the efficient and economical operation of the rights and privileges granted him under his lease, the exact position thereof, and the amount of compensation to which the lessee of the fire-clay location, owner or occupant shall be entitled.

The notice mentioned in this section shall be according to a form to be obtained upon application to the agent of Dominion lands for the district in which the lands in question lie, and shall, when practicable, be personally served on such lessee of the fire-clay location, or his agent, if known, or occupant, and after reasonable efforts have been made to effect personal service without success, then such notice shall be served, by leaving it at, or sending it by registered mail to the last known place of abode of the lessee of the fire-clay location, agent or occupant, and by posting a copy in the office of the agent of Dominion lands for the district in which the land is situated. Such notice shall be served if the lessee of the fire-clay location or his agent resides in the district in which the land is situated, ten days, if out of the district, and if in the province or territory, twenty days, and if out of the province or territory, thirty days, before the expiration of the time limited in such notice. If, within thirty days from the date of the service of such notice, the lessee of the fire-clay location, or his agent, or occupant, refuses or declines to appoint an arbitrator or when, for any reason no arbitrator is so appointed in the time limited therefor in the notice provided for by this section, the agent of Dominion lands for the district in which the lands in question lie, shall forthwith, on being satisfied by affidavit that such notice has come to the knowledge of such lessee of the fire-clay location, his agent, or occupant, or that such lessee, agent or occupant, wilfully evades the service of such notice, or cannot be found, and that reasonable efforts have been made to effect such service and that the notice was left at the last place of abode of such lessee, agent or occupant, appoint an arbitrator on his behalf.

17. In case the two arbitrators cannot agree upon the award to be made, they may, within a period of ten days from the date of the appointment of the second arbitrator select a third arbitrator, and when such two arbitrators cannot agree upon a third arbitrator, the Agent of Dominion Lands for the district

in which the land in question is situated, shall forthwith select such third arbitrator.

18. All the arbitrators appointed under the authority of these regulations shall be sworn before a Justice of the Peace to the impartial discharge of the duties assigned to them, and after due consideration of the rights and needs of both lessees, they shall decide as to the particular portion of the surface rights which the lessee of the mineral rights may reasonably acquire for the efficient and economical operation of the rights and privileges granted him under his lease, the area thereof, and the amount of compensation therefor to which the lessee of the fire-clay location or occupant shall be entitled.

19. In making such valuation, the arbitrators shall determine the value of the land irrespective of any enhancement thereof from the existence of minerals therein or thereunder.

20. The award of any two such arbitrators made in writing shall be final, and shall be filed with the Agent of Dominion Lands for the district in which the land is situated, within twenty days from the date of the appointment of the last arbitrator. Upon the order of the Minister the award of the arbitrators shall be immediately carried into effect.

21. The arbitrators shall be entitled to be paid a per diem allowance of $5.00 together with their necessary travelling and living expenses while engaged in the arbitration, and the costs of such arbitration shall be borne by the lessee of the mineral rights.

Thursday, the 10th day of October, 1912.

PRESENT :

HIS EXCELLENCY THE DEPUTY GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council, on the recommendation of the Minister of Marine and Fisheries, advise that the Order in Council of the 24th June, 1911, appointing Messrs. C. J. Osman and E. W. Osman, Lynds and Captain Turner dispensed with, owing to active political partisanship.

The Committee on the same recommendation further advise that, in accordance with the provisions of section 429 of The Canada Shipping Act, chapter 113, Revised Statutes, Mr. Watson Steeves, of Hillsboro, Captain B. T. Carter, of Hopewell Cape, and Isaac C. Prescott, of Albert, be appointed Commissioners for the Pilotage District of Shepody Basin, in the room of Messrs. Osman, Lynds and Captain Turner.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Wednesday, the 2nd day of October, 1912.

PRESENT :

HIS EXCELLENCY THE DEPUTY GOVERNOR GENERAL IN COUNCIL.

THE Acting Minister of the Interior submits under date 5th September, 1912, that application has been made by Mr. Andrew Good for a permit to cut ties, mine props and cordwood on the Northeast quarter of section 11, township 8, range 6, west of the 5th Meridian, situated in the Rocky Mountains Forest Reserve, that it was considered at the time the application was received that the land was included in the School Lands Endowment, and the applicant was therefore advised that permit would issue in accordance with the usual regulations for the disposal of timber on Dominion Lands, but on its later being decided that the land was not so included, the authority for the issuance of the permit was of necessity withdrawn.

The Minister states that he has caused an examination to be made of the said timber and finds that there are approximately 5,000 ties, 70,000 lineal feet of mine props and 200 cords of fuel-wood which have been killed by fire and should be cut without delay in order to secure its proper and economic utilization.

The Minister, therefore, recommends that, under the authority of subsection (*b*) of section 17 of The Dominion Forest Reserves and Parks Act, assented to on the 19th of May, 1911, he be authorized to grant a permit to the said Andrew Good to cut the timber on the said quarter section on payment of dues in accordance with the regulations governing the Granting of Yearly Licenses and Permits to cut Timber on Dominion Lands, approved by Order in Council of the 1st July, 1898, and subsequent Orders in Council, the cutting to be done subject to the regulations relating to forest reserves.

The Committee submit the same for approval.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Wednesday, the 2nd day of October, 1912.

PRESENT:

HIS EXCELLENCY THE DEPUTY GOVERNOR GENERAL IN COUNCIL.

THE Acting Minister of the Interior, under date of 16th September, 1912, reports that under the provisions of the Provincial Drainage and Dyking Act the owners of the land in the Chilliwack-Sumas district have by petitions published in the *British Columbia Gazette* on the twenty-ninth day of November, nineteen hundred and six, and twenty-eighth day of September, nineteen hundred and five, elected a Board of Commissioners for the dyking of the Chilliwack-Sumas Drainage and Dyking District of the Province of British Columbia, who are empowered to erect, either directly or by contract, drainage and dyking works for the protection and reclamation of the area included in the petitions by which they were elected; that the money to pay for the work is to be raised pursuant to the said Act, by assessment on the lands benefited; that the Chilliwack-Sumas Drainage and Dyking district covers an area of about 30,000 acres, comprising roughly the lands flooded by the waters of Sumas Lake; that the district is within the Railway Belt, on the south side of the Fraser River, forty miles east of Vancouver; and that within this district there are 12,120 acres of Dominion land, including some 9,000 acres in the bed of Sumas lake.

The Minister also reports as follows:—

That the Commissioners have made application for an agreement between the Minister of the Interior and themselves, looking to the transfer to them of the Dominion overflow lands in and around Sumas lake, containing approximately 12,120 acres, upon the reclamation scheme being successfully completed;

That the Commissioners have interested the L. M. Rice Company, Limited, a Company incorporated under the Statutes of the State of Washington and registered to do business in the Province of British Columbia, and have entered into an agreement with this Company, providing for the construction of certain dyking works conditionally on the Minister of the Interior entering into an agreement with the Commissioners providing for the ultimate transfer of the Dominion overflow lands applied for in and around Sumas lake upon the successful reclamation of same;

That the Department of the Interior has been furnished with plans, specifications, etc., of the proposed scheme of reclamation, also with a copy of the agreement between the Commissioners and the L. M. Rice Company, Limited;

That the lands applied for have been inspected by the Chief Engineer of the Railway Belt Hydrographic Survey, who reported that the Dominion lands in and around Sumas lake are at present useless and unsuited for homesteading under the Dominion Lands Act on account of the perpetual inundation of nearly 9,000 acres in the bed of Sumas lake and the periodical flooding of about 2,000 acres for several months each summer during the high water season of the Fraser and Chilliwack rivers; that in addition to the said Dominion lands there are some 20,000 acres of private lands adjoining and surrounding the said Dominion lands, which private lands are also subject to regular or occasional flooding during the same high water period, and thereby productiveness of the said land is greatly decreased; that the reclamation of these Dominion and private lands would be a great boon to the Fraser valley and the Province of British Columbia not only on account of the large area of now useless Dominion lands that would be rendered fertile and productive, but the enhanced value and usefulness of the still larger area of private lands whose present productiveness is minimized by the constant menace of flooding; and that the best advice of eminent engineers for many years declares that the reclamation of the above lands is practicable from both engineering and economic points of view, the total cost being in the neighbourhood of one million dollars.

The Minister, in view of the above, recommends that he be authorized to enter into an agreement with the Board of Commissioners for the Chilliwack-Sumas Drainage and Dyking District, looking to the transfer of the Dominion overflow lands in and around Sumas lake, as set out in schedule hereto attached, on the following conditions:—

1. That the lands applied for shall be successfully reclaimed and rendered fit for agricultural purposes within four years from the date of the agreement.

2. That no patent for any of the lands shall issue until the Minister of the Interior is satisfied,—through a report by a Department engineer,—that all the said Dominion overflow lands possible of reclamation have been successfully reclaimed and rendered fit for agricultural purposes, and that the reclamation works have withstood the high water of the summer following the completion of the dyking works;

3. Upon the successful completion of the dyking scheme the lands will be sold the Commissioners at the nominal price of One Dollar.

4. That the Department assumes no responsibility for the manner and method of the reclamation; for the providence or improvidence of the agreement between the Commissioners and the L. M. Rice Company, Limited; and no responsibility for the proper inspection of the work during its progress, merely

reserving the right to say whether or not the reclamation has been successfully completed.

The Committee submit the foregoing recommendation for approval.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

Saturday, the 28th day of September, 1912.

PRESENT :

HIS EXCELLENCY THE DEPUTY GOVERNOR GENERAL IN COUNCIL.

THE Acting Minister of the Interior states, under date 23rd September, 1912, that in view of the demand for School Lands in that locality, and of the favourable crop conditions, he is of the opinion that it would be in the public interest to offer the following School Lands for sale by public auction in the Province of Alberta, namely :—

Section	29,	Township	20,	Range	5,	West	4th.
"	29,	"	20,	"	6,	"	"

"	29,	"	21,	"	6,	"	"
"	29,	"	21,	"	7,	"	"

The Minister, therefore, recommends that he be authorized to offer the lands above mentioned for sale by public aution at Medicine Hat during the present Autumn at a date to be determined as soon as the valuations are received, the lands to be offered in each case subject to an upset price determined by valuation, and the terms and conditions of the sale to be in accordance with the provisions of The Dominion Lands Act, relating to sales of School Lands.

The Committee submit the same for approval.

THE Minister of the Interior, under date 13th September, 1912, reports that M. Alexis Campbell has made application for a free grant of the fractional S. W. ¼ of Section 14, Township 72, Range 7, West of the Sixth Meridian, by virtue of occupation of the land at the date of the extinguishment of the Indian title.

The Minister recommends, as evidence has been submitted showing the applicant to have been in actual occupation of the land in question at the date of the conclusion of Indian Treaty No 8 in the summer of 1899, that, under the provisions of subsection (*c*) of section 76 of The Dominion Lands Act, a free grant be authorized to Mr. Campbell of the fractional S. W. ¼ of Section 14, Township 72, Range 7, West of the Sixth Meridian, containing by admeasurement 111.3 acres, more or less.

RODOLPHE BOUDREAU,

[2594]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 28th day of September, 1912.

PRESENT:

HIS EXCELLENCY THE DEPUTY GOVERNOR GENERAL IN COUNCIL.

THE Minister of the Interior, under date the 8th July, 1912, reports that Mr. John Henderson has made application to be permitted to acquire the S.E.¼ of Section 27, Township 22, Range 2, east of the principal Meridian, in compensation for the deficiency in area in his title to Lot numbered 39 in the Parish of Kildonan, in the Province of Manitoba.

The Minister states that evidence has been submitted showing Mr. Henderson's claim under The Manitoba Act, which claim is now represented by the said Lot, was not settled by a grant of the full area of 100 acres of land acquired from the Hudson's Bay Company, as the area of the said Lot comprised 79 acres only, thus leaving a deficiency of 21 acres.

The Minister observes that, their being no available land in the vicinity of the said parish from which such deficiency could be made up, Mr. Henderson requested that the said S.E. ¼ of Section 27, Township 22, Range 2, east of the Principal Meridian, be granted him in lieu of the said 21 acres, the difference in this area and that of a quarter section of Dominion Lands (160 acres) being fairly represented by the enhanced value of Lots in the Parish of Kildonan which adjoins the City of Winnipeg.

The Minister, being of the opinion that the application should receive favourable consideration, recommends that a free grant be authorized to Mr. Henderson of the S.E. ¼ of Section 27, Township 22, Range 2, east of the Principal Meridian, in lieu of the deficiency in area of his title to Lot Numbered 39, in the Parish of Kildonan, in the Province of Manitoba.

The Committee submit the same for approval.

Clerk of the Privy Council.

UNDER THE COMBINES INVESTIGATION ACT.

AND

THE UNITED SHOE MACHINERY COMPANY OF CANADA.

To the Honourable the Minister of Labour,
Ottawa.

THE Board appointed under the provisions of the Combines Investigation Act, following the order of Mr. Justice Cannon, directing an investigation to be held into the United Shoe Machinery Company of Canada, begs to report as follows :—

The first meeting of the Board was held on the 20th day of March, 1911, when the members took the oath required by Section 15 of the Combines Investigation Act before Mr. Justice Demers, one of the judges of the Superior Court, for the Province of Quebec.

At that meeting it was decided to notify counsel and to adjourn until the 21st of March, 1911.

On the latter date the Board re-assembled and Mr. Alex. Falconer, K.C., appeared for the applicants, Mr. T. Chase Casgrain, K.C., with Mr. A. J. Brown, K.C., appeared for the United Shoe Machinery Company of Canada.

Counsel for the Company protested against proceeding and filed a written declaration which is on record, the principal ground of the protest being that an appeal was pending from the order of the Honourable Mr. Justice Cannon of the 25th of February, 1911 ; this appeal was subsequently dismissed by the Court of King's Bench, Appeal side.

The Board after hearing argument of counsel decided to proceed and adjourned until the 29th of March, 1911.

On the 22nd of March, 1911, a writ of prohibition was served upon the various members of the Board and in consequence of this writ the Board assembled on the 29th, but did no work, merely adjourning *sine die* to await the decision of the court. A copy of this writ was at once forwarded to the Department of Labour, and Mr. Aimé Geoffrion, K.C., was appointed by the Department to represent the Board.

Before the Board re-assembled another order had been rendered by Mr. Justice St. Pierre of the 26th of September, suspending all proceedings until the 5th of October, 1911. These proceedings were finally disposed of favourably to the Board's proceeding, and on the 17th day of November, 1911, the Board met for the hearing of witnesses.

The parties were represented by Mr. Falconer, K.C., with whom was associated Mr. C. P. Beaubien, K.C., Mr. Casgrain, K.C., and Mr. Brown, K.C., appearing for the company.

The Board not only heard the evidence of all witnesses offered by the applicants and by the company, but also notified all the shoe manufacturers in Canada that the sittings of the Board were taking place, and for the convenience of witnesses, the Board sat not only in Montreal, but also in Quebec and in Toronto. The Board also expressed its willingness to adjourn to the Lower Provinces, but manufacturers from there appeared at Montreal and no others expressed any desire to be heard.

Mr. R. S. Wright and Mr. Joseph Casgrain were appointed by the Department joint Secretary and official stenographers of the Board.

The witnesses heard before the Board were the following :—

Mr. H. G. Donham, Secretary of the United Shoe Machinery Company, F. W. Knowlton, the Manager of the United Shoe Machinery Company, of Montreal, Ernest Caron, John Ritchie, James Muir, E. Duchesne. P. C. Lachance, C. Blouin, Jos. Daoust, R. Locke, George A. Slater, Oscar Brunet, George A. Fortin, R. C. Holden, G. A. Kieffer, R. Lanthier, W. Smardon, J. I. Chouinard, J. A. Duchainé, A. E. Tebbutt, Nap. Tetreault, J. A. Coté, G. Poliquin, H. H. Lightford, E. Robinson, J. B. Meyers, H. Moles, J. Linton and Sydney W. Winslow, President of the United Shoe Machinery Company.

107 exhibits were filed during the course of the investigation and are numbered from 1 to 107.

After the examination of the various witnesses was closed, counsel for the parties presented their case, and the argument is reported stenographically and forms part of the record.

In 1893 the company was organized under the laws of the State of New Jersey under the name of the Goodyear Machinery Company of Canada and continued in this country the operations of the Goodyear Shoe Machinery Company, which was an American company.

In 1899 the name was changed to the United Shoe Machinery Company of Canada, under which name the business has since been carried on.

The capital of the company is $225,000, divided into 9,000 shares of a par value of $25.00 each ; the share capital is all owned by the United Shoe Machinery Company, also of New Jersey, except such shares as are required to qualify directors, all of whom form part of the Board of Directors of the United Shoe Machinery Company. The officers of both companies are the same, and there is but one office for both companies, being at Boston in the State of Massachusetts, where the books, registers, leases, patents, and other documents are kept. This company is subsidiary to the America Company and is absolutely under its control. The company has no Canadian charter, but does business under license from the Provinces of Quebec and Ontario.

It is shown that the company can and does avail itself of the inventions and improvements which are made by the American Company, and is enabled to make, in Canada, all expenditures necessary to the carrying on and development of its business.

In 1899 there were several sources from which the manufacturer of boots and shoes could obtain his machinery, amongst these being in addition to the Goodyear Company, the McKay Metallic Fastening Association of Boston, the Champion Nailing Machine Company, the Simplex Company, the Shoe Wire Grip Company of Canada, the McKay-Bigelow Heeling Machine Association, the Consolidated Lasting Machine Company of Boston, the Davey Pegging Machine Company, the Eppler Company, being all American concerns, and Kieffer Brothers of Montreal. Since that time these American companies have either been absorbed by the United Shoe Machinery Company, in the United States, referred to in the evidence as the parent company, or in any event it appears that the United Shoe Machinery Company of Canada to-day controls the supply in Canada of all the machinery which was previously owned by these various companies.

At the present time there appears to be only one other manufacturer of shoe machinery in Canada, namely the Canadian General and Shoe Machinery Manufacturing Company, of Levis, Quebec, of which Mr. Ernest Caron, one of the applicants, is the general manager. Another company known as the Duplessis Shoe Machinery Company was organized in Canada and operated for a few years about 1900. This company subsequently removed its factory to the United States at Haverhill, Mass. It would also appear from the evidence that there are independent manufacturers of shoe machinery abroad, as catalogues were produced from various manufacturers of shoe machinery in England, Germany and elsewhere, indicating that they were manufacturing a fairly full line of shoe machinery, and that the Canadian General and Shoe Machinery Company is agent for some of them.

The position is to-day that the United Shoe Machinery Company of Canada has as its customers 138 of the boot and shoe manufacturers of Canada, out of a total of 145. It may be noted that in addition to the manufacture of shoe machinery, this company deals in various supplies and materials, some of which are sold to others than manufacturers of boots and shoes.

The company claims to be able to supply about 300 varieties of machines for use in the manufacture of boots and shoes, of which about 150 are in the list of machines of its General Department, and that there were under lease in Canada to its 138 lessees, in the year 1911, 4,906 machines, divided as follows :—

Goodyear principal machines..........	237
Goodyear auxiliaries.................	1131
Heeling machines..................	419
Metallic Department Machines........	611
Lasting machines......	370
Pulling Over Department machines....	230
Eyeletting machines.................	230
General Department machines........	1658

It appears that two factories, the Roch Shoe Company, of Quebec, and the Scout Shoe Company, of Montreal, are equipped with machinery derived from other sources. As to the five others, there is no evidence, but they would seem to be small and not important factories.

From 1893 to 1899, the Goodyear Company did business under a system of leases to the Shoe Manufacturers, which system was continued from 1899, by the United Shoe Machinery Company. As and when the company came into possession or control of other machines than those of the Goodyear Company the same method of supplying them to the Shoe Manufacturers under lease was adopted.

Under this system, the machines, with the exception of those of the General Department, which might be either purchased or leased, were supplied to the manufacturers on lease only, and were not for sale. This condition continues.

At first and until 1905, the rule was to charge to the Shoe Manufacturers on installation, an amount varying with the importance and value of the machine, called a "lease premium." Since 1905, the plan has been to instal the machines on lease, without initial charge, but to exact from the manufacturers, whenever such a machine is returned to the company, the cost of putting the machine in good and efficient working order and condition.

Apart from this, there are levied upon certain machines, or sets of machines working together, a royalty charged of a fixed amount per pair ; and in the case of other machines the company derives its return from the sale of materials, as wire, screws, pegs and eyelets, all of which are sold to the manufacturers, who must take them from the company at prices set by the company, and which prices are in excess of the market prices except in the case of eyelets, which are sold at the market price.

The leases are all made for a term of twenty years. Where a machine is returned and exchanged for a new or improved machine ; or when a change occurs in the status of the lessee ; or when a transfer is made by a lessee to another, a new lease, to run for a new term of twenty years, is required to be made. It would appear, from the testimony of its principal officers that the company does not contemplate the continuous use of some of the more complicated and essential machines during the whole term of the lease, but that they will be replaced by new or improved machines before the expiration of the actual leases ; from all of which it results that, taken together, the leases between the company and its customers are for an indefinite period.

The company divides its machines into different classes, each with a special own of lease. A full set of the company's forms of lease are filed as exhibits. The principal departments are, the Goodyear, the Goodyear Auxiliary, the Metallic, the Heeling, the Pegging, the General, the McKay Sewing, the Eyeletting, the Pulling over and the Lasting, these conforming to the principal separate operations in the making of a pair of shoes.

In very lease there is a clause or clauses, imposing limitations upon the use of the machine ; and another clause making the continuance of the lease contingent upon the full observance of the terms of all other leases between the company and its customers.

These clauses, as taken from the leases, stipulate as follows :—

GOODYARD DEPARTMENT.

The leased machinery shall be used only in the manufacture of boots, shoes and other footwear made by the lessee known in the trade as "Goodyear Welts" which have been or are to be welted wholly by Goodyear Welt and Turn Shoe Machines held by the lessee under lease from the lessor, and the soles of which have been or are to be attached to their welts wholly by Goodyear Outsole Rapid Lockstitch Machines held by the lessee under lease from the lessor or in the manufacture of boots, shoes or other footwear made by the lessee known in the trade as "Goodyear Turns" the soles of which have been or are to be attached to their uppers wholly by Goodyear Welt and Turn Shoe Machines held by the lessee under lease from the lessor. The lessee shall not represent or sell as "Goodyear Welts" any boots, shoes or other footwear which are not welted wholly by the use of Goodyear Welt and Turn Shoe Machines held under lease from the lessor or the soles of which are not attached to their welts wholly by the use of Goodyear Outsole Rapid Lockstitch Machines held under lease from the lessor or as "Goodyear Turns" any boots, shoes or other footwear the soles of which are not attached to their uppers wholly by the use of Goodyear Welt and Turn Shoe Machines held under lease from the lessor. The lessee shall use the leased machinery to its full capacity in the manufacture of "Goodyear Welts" and "Goodyear Turns" limited only by the number of welted and turned boots, shoes and other footwear made by or for him.

Lasting Machine Department.

The leased machinery shall be used for no other purpose than for lasting boots, shoes or other footwear made by or for the lessee. The leased machinery shall not nor shall any part thereof be used in the manufacture or preparation of any welted boots, shoes or other footwear or portions thereof which have been or shall be welted in whole or in part or the soles in whole or in part stitched by the aid of any welt sewing or sole stitching machinery not held by the lessee under lease from the lessor, or in the manufacture or preparation of any turned boots, shoes or other footwear or portions thereof, the soles of which have been or shall be in whole or in part attached to their uppers by the aid of any turn sewing machinery not held by the lessee under lease from the lessor or in the manufacture of any boots, shoes or other footwear which have been or shall be in whole or in part pulled over, slugged, heel seat nailed or otherwise partly made by the aid of any pulling over or "Metallic" machinery not held by the lessee under lease from the lessor. Subject to the foregoing limitations, the lessee shall use the leased machinery to its full capacity upon all boots, shoes or other footwear or portions thereof made by or for the lessee in the manufacture or preparation of which such machinery is capable of being used.

PULLING OVER SYSTEM.

The machinery hereby leased or held by the lessee under other lease or license agreement from the lessor shall be used only in the manufacture or preparation of boots, shoes or other footwear made by or for the lessee and shall be used for no other purpose than for performing the work for which it is designed and leased. The machinery of the Pulling Over System of the lessor hereby leased or held by the lessee under other lease or license agreement from the lessor shall not nor shall any thereof be used in the manufacture of any welted boots, shoes or other footwear which have been or shall be welted in whole or in part or the soles of which have been or shall be in whole or in part stitched or attached by the aid of any welting or sewing or stitching machinery not held by the lessee under lease from the lessor ; or in the manufacture of any turned boots, shoes or other footwear the soles of which have been or shall be in whole or in part attached by the aid of any sewing or attaching machinery not held by the lessee under lease from the lessor ; or in the manufacture of any boots, shoes or other footwear which have been or shall be lasted in any way whether in whole or in part otherwise than by lasting machines held by the lessee under lease from the lessor ; or which have been or shall be pegged, slugged, heel seat nailed or otherwise partly made by the aid of any pegging or metallic machinery not held by the lessee under lease from the lessor, or the heels of which have been or shall be compressed or prepared by the lessee in whole or in part or shall be attached by the aid of any heeling machinery not held by the lessee under lease from the lessor ; or in the manufacture of any boots, shoes or other footwear upon which any operation for which any of the machines of the lessor mentioned by name in the foregoing Schedule of Machines are designed, has been or is to be performed by machinery not held by the lessee under lease from the lessor. Subject to the foregoing limitations, the lessee shall use all Rex Pulling Over Machines held by him under lease from the lessor to their full capacity upon all boots, shoes or other footwear or portions thereof made by or for the lessee in the manufacture or preparation of which such machines are capable of being used, and shall use all other machinery of the Pulling Over System of the lessor held by him under lease from the lessor to its full capacity upon all work in the manufacture or preparation of boots, shoes and other footwear, or portions thereof, which is done by or for the lessee by the aid of machinery and which is of a kind which such machinery is designed to perform.

EYELETTING DEPARTMENT.

The lessee shall use the leased machinery to its full capacity on all boots, shoes, footwear, and other articles made in its factory in the manufacture of which it can be used, but the leased machinery shall not nor shall any part thereof be used in the manufacture of any boots, shoes, or other footwear which have been or shall be welted or the soles stitched by the aid of any welt sewing or sole stitching machinery not held by the lessee under lease from the lessor, or in the manufacture of any turn boots, shoes or other footwear the soles of which have been or shall be attached to their uppers by the aid of any turn sewing machinery not held by the lessee under lease from the lessor or in the manufacture of any boots, shoes, or other footwear which have been or shall be lasted, pegged, slugged, heel seat nailed, or otherwise partly made by the aid of any lasting or pegging or "Metallic" machinery or mechanisms not held by the lessee under lease from the lessor or in the manufacture of any boots, shoes, or other footwear the heels of which have been or shall be compressed or prepared by the lessee in whole or in part, or have been or shall be attached by the aid of any "heeling" machinery not held by the lessee under lease from the lessor.

PEGGING MACHINE DEPARTMENT.

The lessee shall use the leased machinery to its full capacity on all boots, shoes, and other footwear made in his factory which are or are to be pegged, but the leased machinery shall not, nor shall any part thereof be used in the manufacture of any boots, shoes, or other footwear which have been or shall be lasted on machines not leased to the lessee by the lessor or its assignor, or in the manufacture of any boots, shoes, or other footwear which have been or shall be slugged, heel seat nailed, or otherwise partly made by the aid of any "Metallic" machinery not leased to the lessee by the lessor or its assignor.

METALLIC DEPARTMENT.

The lessee shall use the said machinery to its full capacity so far as the number and kind of boots and shoes made in his factory will permit, except that the lessee agree that the said machinery shall not be used in the manufacture of any boots and shoes which are lasted on machines or by the aid of lasting or tacking mechanisms other than those leased from the lessor or any welted boots or shoes which are not welted and stitched on welt sewing and sole stitching machines leased from the lessor, or turn shoes the soles of which are not attached by turn sewing machines leased from the lessor. In case the lessee has more work of the kind which can be performed by any of the machines belonging to the Metallic Department of the lessor than the capacity of the Metallic machinery which he has under lease from the lessor will permit, then the lessee shall either take from the lessor, under a like lease and agreement, sufficient additional machinery to perform the work, or in case the lessee does not thus lease additional Metallic machinery from the lessor, then the lessor may, if it so elects, cancel forthwith this lease and any other lease of Metallic machinery then in force between the lessor and the lessee, whether as the result of assignment or otherwise.

HEELING MACHINE DEPARTMENT.

The lessee shall use the leased machinery to its full capacity for doing all work in manufacturing, preparing and attaching all heels and top-lifts and in manufacturing and preparing all soles and taps made or prepared or attached in this factory in the manufacture or preparation or attaching of which it can be used, and the leased machinery shall be used for no other purpose. The leased machinery shall not, however, nor shall any part thereof be used for manufacturing, preparing or attaching heels, top-lifts, soles or taps for any boots, shoes or other footwear which have been or shall be welted, or the soles stitched by the aid of any welt sewing or sole stitching machinery not held by the lessee under lease from the lessor, or for any turn boots, shoes, or other footwear, the soles of which have been or shall be attached by the aid of any turn sewing machinery not held by the lessee under lease from the lessor, or for any boots, shoes or other footwear which have been or shall be lasted, pegged, heel seat nailed or otherwise partly made by the aid of any lasting, pegging or metallic machinery not held by the lessee under lease from the lessor.

A similar clause exists in all the other forms of lease used by the Company.

The following clause is also found in the leases :—

But if any breach or default shall be made in the observance of any one or more of the conditions in this agreement contained or contained in any other lease or license agreement subsisting between the lessor and the lessee, whether as the result of assignment to the lessor or otherwise and expressed to be obligatory upon the lessee, the lessor shall have the right, by notice in writing to the lessee, to terminate forthwith any or all leases of or licenses to use machinery then in force between the lessor and the lessee, whether as the result of assignment to the lessor or otherwise, and this notwithstanding that previous breaches or defaults may have been unnoticed, waived, or condoned by the lessor.

From all this it appears that the machines are tied one to the other as follows :

GOODYEAR	METALLIC to	HEELING to	GENERAL to
Welters and Stitchers tie to each other. —	Welters Stitchers Lasting	Welters Stitchers Lasting Pegging Metallic	Welters Stitchers Lasting Pegging Metallic

	Lease Premium Lease does not tie		No. 5 Laster Pulling over and as above except pegging —
			Ensign Lacer to Welters Stitcher Lasting.

As will be seen from the foregoing table, the practical result of the system is to compel the manufacturer of boots and shoes to take the complete equipment for his factory from the company, because the auxiliary machines are tied to the main machines of their class, and the main machines of each class are tied to the main machines of the other classes. To illustrate, it will be noticed from the table that if a shoe manufacturer desires to use one of the pulling over machines, that machine can only be had on condition that it will be employed exclusively upon material which have been or are to be treated upon the company's welters, stitchers, lasting, pegging, metallic, heeling and pulling over auxiliary machines.

The machinery in the general department if leased is leased only to those who are already the lessees of the company or is sold to them, or is sold to anyone else. If these machines are leased they become subject to the restricting clauses, but if they are sold they are sold outright and become the property of the purchaser. The machines in this department are all smaller machines, and the majority of them are sold at prices under $100, and the highest price of any single machine is $625.00.

The company has obtained a practically complete control of the business of supplying shoe machinery in Canada. Factors contributing to its acquiring this control are :—The control of patent rights; the quality of the machines supplied; the fact that the company can supply a full set of machines; the introduction of the tying clauses into the lease and the duration of the lease; the efficiency of the service furnished by the company in maintaining its machines in good order; the facility with which the lessee can obtain repair parts for his machines ; the maintenance of a corps of competent roadmen at convenient places for the inspection and repair of machines ; the fact that the manufacturers are all on the same footing as regards the royalties paid, the machines supplied and the service rendered; the ability of the company to provide the large amount of capital needed to adopt and maintain the system of equipping factories with machines under lease.

We have now to consider what is the effect of the situation so established upon (1) competition in the manufacture and the supply of shoe machinery ; (2) the position of the manufacturers of boots and shoes ; (3) the consumers of boots and shoes.

The only complaint of shoe manufacturers, when they complain, is that they are deprived of such advantages as might accrue to them if they were free to avail themselves of the benefit of competition in the supply of shoe machinery. They do not complain of the company's charges, as all shoe manufacturers are, in that respect, on the same footing, and they all incorporate the charge made upon them for royalties in the factory cost of their shoes.

The same reasoning applies to the case of the ultimate consumer, because it is a uniform royalty charge that is included in the cost of shoes to him. The board is not in position to say whether the royalty charges, which run from 5 to 7½ cents a pair for sewed shoes, and a less amount for shoes of inferior quality, are more than they would be if competition were not restricted. There was a conflict of testimony concerning certain calculations based on the capacity of machines which were purchased outright ; the company, again, declined to attach sale values to its leased machines, which might have served as a basis of calculation, and further admitted that the royalties charged were not computed upon present costs but were the same as were in use when the system was adopted.

In regard to the manufacture and supply of shoe machinery, it is established that in all the 188 factories in which the company's machines are under lease, competition is effectively eliminated.

From the record it appears that competition is possible in the following cases :

(1) When a competitor can supply a complete equipment of machines for a new factory, or a complete set of other machines to be used with the company's welter and stitcher.

(2) In the case of machines corresponding to those of the company's general department, or corresponding to the auxiliary machines of the Goodyear Department.

(3) In eyeletting machines.

Where a manufacturer whose factory is equipped with machines obtained from outside sources wishes to use important machines leased by the company, he can only do so on abandoning his other machines, and the company has invariably, in practice, enforced this condition.

With the conditions thus found to be in existence, competition in the manufacture and supply of shoe machinery in Canada is practically impossible.

The company, through its President, Mr. Winslow, contended, that as the revenue derived by the company was determined by the output of the machines, it was of primary importance to the company that those machines should be operated continuously and as nearly as possible to their capacity; that to secure the continuous operation of the machines the company had organized its service system, by which the machines are kept in proper repair; that if the manufacturers of boots and shoes were free to use other machines than those of the company, they might use machines of less capacity, or of inferior quality, or machines which, through not having the same efficient repair service would not be repaired as promptly, which would cause delay in the operation of the whole series, thus reducing the output of the factory, in consequence of which the royalty returns would be diminished and the interest of the company suffer.

Mr. Winslow claimed that superiority of machinery and efficiency of service would not be sufficient security to the company. He admitted that the purpose of the tying clauses was to give the company that security by preventing the introduction of other machinery into the factory. He stated that if the company were obliged to remove the tying clauses from its leases a change in its system of doing business would be necessary. He was not able to state the basis on which the rates of royalty were calculated, these having been continued from the previous leases. He assigned no reason for the necessity of a change, nor did he indicate what that change would be.

No other evidence was adduced by the company to show what would be the nature of the changes to be made in its system if the tying clauses were eliminated, nor that changes would be necessary for the protection of its interests.

As indicating that the object of the tying clauses is rather to prevent the introduction of competing machinery than to establish continuity of operation, it may be noted that the company's welter and stitcher will be leased to work in connection with other principal machines obtained from outside sources, that machines corresponding to the machines of the company's General Department can be obtained from outside and introduced into the service, and that the company will sell the machines of the General Department, in which event the company has not the same interest in keeping the machines in order as exists when machines are leased.

CONCLUSIONS.

Such advantages as are claimed by the company for its system of doing business, when they are not inconsistent with the existence of competition, are not vital to a consideration of whether competition is unduly restricted; neither are any complaints made by the manufacturers where the ground of these complaints would disappear if the way were open to competition.

Eliminating from consideration all those elements of the relations betwen the Company and its customers, we find that:

The United Shoe Machinery Company of Canada is a combine and by the operation of the clauses of the leases, quoted in the foregoing, which restrict the use of the leased machines in the way therein set forth, competition in the manufacture, production, purchase, sale and supply of shoe machinery in Canada has been and is unduly restricted and prevented.

In view of all the circumstances of the case however, we consider it necessary that the delay of ten days prescribed in clause 23 of the Combines Investigation Act 9-10 Edward VII, Chap. 9, Canada, be extended to an additional period of six months, and we recommend that such delay be granted.

UNDER THE COMBINES INVESTIGATION ACT.

In re: N. DROUIN, *et al.*,
AND
THE UNITED SHOE MACHINERY COMPANY OF CANADA.

To The Honourable Minister of Labour,
Ottawa.

Sir,—As I dissent from the conclusions of the majority of the Board appointed to hold an investigation into the United Shoe Machinery Company of Canada, I beg to submit the following minority report.

The facts established by the evidence submitted to the Board are set out in the majority report, but it is with the conclusions that are drawn from these facts that I differ from the other members of the Board.

There is also one statement in which I cannot concur, to the effect that "with the conditions thus found "to be in existence competition in the manufacture "and supply of shoe machinery in Canada is practically "impossible."

The conclusions arrived at by the majority of the Board are limited to one point namely, that The United Shoe Machinery Company of Canada is a combine and by the operations of the clauses quoted in the report, which restrict the use of the leased machinery in the way therein set forth, competition in the manufacture, production, purchase, sale or supply of shoe machinery in Canada has been and is unduly restricted and prevented.

The only difference of opinion amongst the members of the Board was as to the interpretation of the word "unduly."

The Hon. Mr. Justice Taschereau, who was the Commissioner appointed in 1901 under the provisions of the Customs Tariff Act in 1897 to inquire as to "whether there existed among manufacturers or dealers "of news and printing paper, any trust, combination, "association, or agreement of any kind, to unduly "enhance the price of said article, or in any other way "unduly promote the advantage of the said manufact-"urers or dealers, at the expense of the consumer," defined the word "unduly" in the following sentences of his report:

"The Custom Tariff, in section 18 uses the word "'unduly,' whereas section 520 of the Criminal Code "has the word 'unreasonably.' I see no difference in "those two words as to their signification. They both "mean an oppressive act, contrary to public policy."

In the American and English Encyclopædia of Law, 2nd Edition, in defining undue influence, the following appears:—

"No definition of what the law denominates undue "influence can be given which will furnish a safe and "reliable test for every case. Each case must be "decided on its own special facts."

I think the same remark would apply to the word "unduly" as used in the Combines Investigation Act.

The decision therefore should depend on whether these tying clauses in the leases are unreasonably oppressive and contrary to public policy. It appears to me that in considering this question theses clauses should be treated merely as one part of the Company's system or method of doing business and that this latter should be considered as a whole.

The company contends that if it is compelled to eliminate these clauses from its leases it will be obliged to modify the terms throughout, and this appears to me to be a fair contention. As is pointed out in the report there was no evidence produced as to what these changes would be. The fact however remains that to-day the company furnishes the best machines that are known; it provides competent and efficient services of inspection and repair, and it gives to its customers the benefit of all improvements, notwithstanding the terms of the lease.

For all this the company is compensated by a royalty based on the output of the machinery and the contention that this output can only be secured by excluding the machines of other manufactures from being used in connection with the machinery of the company is in my opinion reasonable. The capacity of a set of machines is limited by the capacity of the slowest machine in the set and the company is fairly entitled to secure the greatest possible output by providing that the most efficient machinery only shall be used.

As regards competition this is not entirely eliminated. Of 138 manufacturers, whose factories are equipped with the machinery of the company, a large number have started business since the company began its operations in Canada and during that period all new factories at least had the choice of being equipped by the company or by other manufacturers, and to that extent competition exists to-day. There is also the further competition referred to in the majority report.

Since the company obtained control of almost the entire business in Canada no attempt has been made to increase the royalties or otherwise act oppressively, but on the contrary every effort has been made to constantly improve the machinery, to assist new manufacturers in starting business and to satisfy its customers generally.

How far the restrictive clauses have been a factor in securing the business to the company, I am unable to say, but considering the company's methods as a whole I cannot find that they are against public policy. As has been pointed out the company has been of manifest advantage to the manufacturer of boots and shoes, to the labour operating the machines, and to the consumer.

The leases of the company were declared legal by the Privy Council in the case of the Company vs. Brunet *et al.*, and this same system of doing business might have been adopted by any other manufacturers of shoe machinery. However those others preferred to sell their machines and there is evidence that in doing so no adequate guarantee was offered to the purchasers that necessary parts for repairs could be promptly obtained or that a proper repair service would be furnished. That under these conditions the United Shoe Machinery Company of Canada has secured the business is not to my mind sufficient evidence that the tying clauses unduly restrict competition. On the contrary I am of opinion that the leases of the company are not contrary to the provisions of the Act.

I therefore, with all respect, dissent from the conclusions of the majority of the Board.

I have the honour to be,
Sir,
Your obedient servant,

17-1 (Sgd.) W. J. WHITE.
